

DESCRIPTION AND JUSTIFICATION
John Staurulakis, Inc. Tariff F.C.C. No. 1
Transmittal No. 165

Knology of the Valley, Inc., SAC 220371 (GA)

Knology of the Valley, Inc. , (alternatively “Knology” or “Company”), through its consultant John Staurulakis, Inc. (“JSI”) hereby provides a Description and Justification for its filing under Transmittal No. 165 of the John Staurulakis, Inc. Tariff F.C.C. No. 1 (“JSI Tariff”). The Knology Study Area is located in Georgia. Knology is an Issuing Carrier of the JSI Tariff. Knology files interstate access rates on an historic basis pursuant to Section 61.39 of the Commission’s rules. The filing is made in accordance with the Commission’s March 28, 2012 release entitled In the Matter of July 3, 2012 Annual Access Charge Tariff Filings, WCB/Pricing File No. 12-07, Order, DA 12-482.

Knology is filing its Access Recovery Charge (“ARC”) under this transmittal on a single study area, stand-alone basis. Accordingly, Knology has not prepared a Tariff Review Plan RateCeiling-CAF.xlsm workbook for filing with the Commission. Knology is one of four study areas listed in the USF2011LC11.xls file or the USF2011LA11.xls with an association with Knology, Inc. holding company code 200000314. The other three are each an issuing carrier for National Exchange Carrier Association, Inc. (“NECA”) Tariff FCC No. 5: Knology Total Communications, Inc. (SAC 250295); Knology Community Telephone, Inc. (SAC 391652); and Valley Telephone Co., LLC (SAC 220324). Because the three Knology, Inc. affiliates that are issuing carriers for NECA Tariff FCC No. 5 are filing ARCs in the NECA Tariff, Knology has no control over those rates. However, all ARC rates effective July 3, 2011 for the Knology, Inc. affiliates, including Knology will be \$0.50.

1. DESCRIPTION OF FILING 391652

JSI Tariff F.C.C. No. 1 governs the provision by Knology of interstate End User Common Line, Switched Access, Special Access and Miscellaneous and Public Packet Data Network services and, beginning July 3, 2012, the Access Recovery Charge.

As Knology elects to file an ARC pursuant to Section 51.917(e), and a Connect America Fund (“CAF”) election pursuant to Section 51.917(f), the Company is making the filing described herein in what is otherwise a non-mandatory filing year. The Company is not proposing to revise any other interstate access rates as part of this filing.
