To Whom It May Concern:

This letter is in reference to the June 18, 2012 interstate Price Cap access tariff filing for The FairPoint Operating Companies (FairPoint). Per Section 51.915(c) of the rules, in development of its fiscal year 2011 access revenues, FairPoint calculated its interstate, intrastate and reciprocal compensations revenues that were collected by March 31, 2012.

To derive the Fiscal Year 2011 revenues, FairPoint deducted the revenues and minutes of use that were in dispute and unpaid as of March 31, 2012. Also, the fiscal year 2011 gross billing was adjusted to reflect dispute settlements and any other billing adjustments made to this gross billing.
