5. Verizon New Jersey Inc. Special Construction Cases

(S) (y)

5.1 Charges for the State of New Jersey (Company Code 5120)5.1.1 Special Construction Cases Prior to April 1, 1984

This section contains special construction charges for facilities provided to Other Common Carriers in accordance with Bell Atlantic - New Jersey, Inc. Tariff F.C.C. No. 33, Facilities for Other Common Carriers, prior to April 1, 1984. These special construction cases are subject to the regulations specified in 2.1 through 2.8 preceding, with the following exception. When the initial liability period expires, an annual underutilization charge applies to the difference between 70% of the number of original specially constructed facilities and the number of facilities in service at filed tariff rates at that time. For purposes of determining the underutilization charge, any facilities subject to minimum period monthly charges are considered to be in service at filed tariff rates.

United States Transmission Systems, Inc.

Install 600 pair entrance cable and building riser to 26th floor at Gateway I, Newark, New Jersey.

Nonrecurring charge \$1,174.59

Maximum Termination Liability \$8,826.00
