ACCESS SERVICE

5. Access Ordering (Cont'd)5.3 Access Orders For Services Provided By More Than One Telephone Company (Cont'd)5.3.3 Cancellation of an Access Service Request (Cont'd)(C) Cancellation Charge

When a customer cancels an Access Service Request prior to the service date, but after the Telephone Company has accepted the ASR, a cancellation charge will apply for each Access Service Request cancelled. The Firm Order Confirmation Date is defined in Section 2.6 of this tariff. The cancellation charge is shown in Section 20. (C)

(D) Partial Cancellation Charge

Any decrease in the number of ordered Special Access Service circuits or Switched Access Service lines, trunks or CCS/SS7* Port Terminations on a pending ASR will be treated as a partial cancellation. The charge will be determined by prorating the cancellation charge shown in Section 20 by the percentage of the order cancelled. The percentage of the order cancelled will be based on the capacity of the cancelled circuits compared to the total capacity originally ordered.
