**2.14 SPECIAL TAXES, FEES, CHARGES (Cont'd)**

B. Federal Universal Service Fund

As a result of regulatory reform, certain government subsidies and other government-imposed charges previously collected through local exchange access usage rates are now assessed directly upon interexchange carriers on a per-customer basis. The following flat rate charges may apply to the customer's total charges as a result. These charges will be itemized on the end user's bill and are in addition to the rates for services previously described in this Tariff or other Company Rates and Services Schedules.
