Transmittal No. 874

DESCRIPTION & JUSTIFICATION

Cincinnati Bell Telephone (CBT) proposes to add new rate elements to its existing DS1 Service, DS3 Service, OC-n Point-to-Point Service, and OC-n Dedicated Ring Service. CBT currently has Optional Payments Plan (OPP) and Discount Commitment Plan (DCP) options for 12 months, 36 months and 60 months. CBT is proposing to add 24 month, 48 month and 84 month OPP and DCP options for its DS1 Service, DS3 Service. CBT is also proposing to add 12 month, 24 month, 48 month and 84 month OPP and DCP options to its OC-n Point-to-Point Service. CBT is further proposing to add 48 month and 84 month OPP and DCP options for its OC-n Dedicated Ring Service. All of the services to which CBT is proposing to add the new rate elements are under Price Cap Regulation. The proposed new rate elements will be added to CBT's Tariff Review Plan (TRP) in the next annual filing.
