Enclosed for filing, please find the Initial Base Document for International FCC Tariff No. 10, submitted on behalf of Verizon Enterprise Solutions LLC. The Company is an IXC non-dominant carrier. Verizon Enterprise Solutions LLC did comply with the Commission's ETFS Order WC Docket No. 10-141, Report an Order, 26 FCC Red 8884 (2011), and filed its initial Base Documents on the ETFS no later than January 17, 2012. However, through a misunderstanding, Tariff F.C.C. No. 10 was filed with the initial Base Document for Tariff F.C.C. No 9. Consequently, Tariff F.C.C. No. 10 does not appear on ETFS as a standalone tariff, but as a part of Tariff No. 9. The sole purpose of this filing is to correct this administrative error.

This transmittal letter and associated attachments are being filed electronically today via the Federal Communications Commission's Electronic Tariff Filing System (ETFS). Payment in the amount of \$845.00 has been electronically transmitted to the U.S. Bank in St. Louis, Missouri in accordance with the fee program procedures.

Any questions you may have regarding this filing should be directed to my attention at 407-740-3002 or via email to [cwrightman@tminc.com](mailto:cwrightman@tminc.com).

Thank you for your assistance in this matter.
