2. ACCESS SERVICES DESCRIPTIONS (Cont'd)

2.2 RESERVED FOR FUTURE USE

2.3 End User Access Service

End User Access provides for the use of an End User Line ("local loop") to originate or terminate interstate long distance calls. A monthly recurring charge, End User Common Line (EUCL) or End User Connection Charge (EUCC) applies to each local access line provided by the Company pursuant to this Tariff. This charge does not apply to End Users who self-provide their Access Line or obtain it from a third-party, and it may not apply to End Users who enter into a separate contractual arrangement with the Company. The End User Access service is a separate and distinct service from Switched Access and Dedicated Access services provided pursuant to this Tariff. (T)

End Users may be accessed via lines, trunks, or other facilities, terminated on a central office switch, which are provided under arrangements with the Company. (T)

2. ACCESS SERVICES DESCRIPTIONS (Cont'd)

2.3 End User Access Service (Cont'd)

The Company will provide End User Access Service to End Users who obtain local exchange service from the Company. The Company may offer communications services under contracts that are not governed by the terms and conditions of this Tariff. Provisions of this Section 2.3 are not applicable to End Users that have entered into such a contract with the Company.

2.3.1 General Description

End User Access provides for the use of an End User Common Line (EUCL) or End User Connection Charge (EUCC) to originate or terminate interstate long distance calls. A monthly recurring charge applies to each local access line provided by the Company pursuant to this Tariff. This charge does not apply to End Users who self-provide their Access Line or obtain it from a third-party, nor does it apply to End Users who enter into a separate contractual arrangement with the Company. The End User Access service is a separate and distinct service from Switched Access services provided pursuant to this Tariff. EUCC applies to customers of IP-enabled voice services including OnePac and Smart Voice.

2.3.2 Limitations

A telephone number, detail billing, directory listings and intercept arrangements are not included with End User Access.

2.3.3 Undertaking of the Telephone Company

The Company will provide End User Access at rates and charges as set forth herein as follows:

- Use of an EUCL for interstate Access Services provided under this tariff. Such use will be provided when the End User obtains local exchange service.
- The Company will be responsible for contacts and arrangements with customers for the billing of End User access charges.

4. MISCELLANEOUS SERVICES (Cont'd)

4.2 Administrative Service Fee

The Administrative Service Fee helps recover costs incurred by the Company for reporting on, billing, collecting, processing and remitting charges including federal and state public program surcharges.

A surcharge will be applied to an end user customer's bill for the following services that appear on that particular bill:

1. All billed Intrastate and interstate monthly recurring charges (MRCs);
2. All billed usage charges including local, intraLATA toll, intrastate and interstate long distance, international and Directory Assistance calls; and
3. All billed End User Access Charges including End User Common Line (EUCL) and End User Connection Charges (EUCC). (C)

The minimum fee assessed will be \$30 per month per account. Invoices greater than \$1,000 will be charged 3% of billed MRCs, Usage, Directory Assistance calls and End User Access charges. (C)
