Transmittal No. 96)

REQUEST FOR CONFIDENTIAL TREATMENT OF COST SUPPORT

Hawaiian Telcom, Inc. ("HTI") respectfully requests confidential treatment of cost and revenue data ("Cost Support") that it is providing in connection with Transmittal No. 96, filed April 24, 2013. With this filing Hawaiian Telcom, Inc. is introducing Case No. 2012-700037 - Special Construction of new facilities to support one (1) DS3 Special Access Line, Case No. 2012-700051 - Special Construction of new facilities to support one (1) DS3 Special Access Line and Case No. 2013-700005 - Special Construction of new facilities to support one (1) DS3 Special Access Line.

Pursuant to Section Commission's Rules, 47 C.F.R § 0.459(b)(4), HTI states the following:

1. The Cost Support data that accompanies HTI's Transmittal No. 96 consists of data that is specific to one competitively sensitive application. Such data is of the type that businesses normally keep confidential and that HTI keeps confidential. The confidential information provided is sensitive commercial data. *See* 5 U.S.C. § 552b(4).

2. The confidential information provides data that is competitively sensitive within the meaning of the Commission's Rules, 47 C.F.R § 0.459(b)(4), specifically, cost and unit calculations and projections.

3. HTI has determined that public disclosure of this information would materially damage HTI's competitive position by providing competitors with information about a specific Customer application. Moreover, the public interest would be impaired by public disclosure of the information contained in the Cost Study, in that any compromise of HTI's competitive or financial position, vis-a-vis its competitors, would ultimately work to the detriment of the consuming public.

4. HTI does not object to limited disclosure of the confidential information so long as a party that wishes to view it, executes a standard Commission approved confidentiality agreement. The Agreement will ensure that the confidential material is only used to assist the party in participating in review of the tariff filing.

WHEREFORE, HTI respectfully requests that the Cost Support submitted with this Transmittal No. 96 be deemed confidential and be indefinitely protected from public inspection.

Respectfully Submitted By:
