Transmittal No. 1226 - Amended

Marlene H. Dortch
Secretary
Federal Communications Commission
445 12th Street SW
Washington, DC 20554

Attention: Wireline Competition Bureau

On March 22, 2013, the Verizon Telephone Companies issued Transmittal No. 1226, which revised its Tariff FCC Nos. 1, 11, and 16, Access Service, and Tariff FCC No. 14, Facilities for Interstate Access. Since Transmittal No. 1226 was filed, Verizon has discovered errors with the Tariff Review Plan submitted in the Annual Filing Errata filing dated March 15, 2013. A letter filing to correct these errors and provide updated support was filed today, April 29, 2013. Since the Tariff Review Plan submitted under Transmittal No. 1226 was built on the March 15, 2013 Tariff Review Plan, Verizon is hereby re-filing the Tariff Review Plan.

Verizon today is filing electronically this amended transmittal letter and associated attachment via the Federal Communications Commission's Electronic Tariff Filing System (ETFS).

All correspondence and inquiries in connection with this amended transmittal should be forwarded to Frederick Moacdieh, Executive Director, Federal Regulatory Affairs, via facsimile on (202) 336-7922, or by hand-delivery to 1300 I Street NW, Suite 400 West, Washington, DC 20005.

A handwritten signature in black ink, appearing to be 'F. Moacdieh', written in a cursive style.
