(D) Regulatory Assessment Surcharge ("RAS")

(N)

As a telecommunications company, the Telephone Company must make various payments to local, state, and federal departments and agencies, including, but not limited to, administration fees, inspection and supervision fees, and general public utility commission assessments. The Regulatory Assessment Surcharge ("RAS") is designed to help recover the cost of these payments. The Telephone Company assesses RAS on end-user customers based on the individual customer's respective interstate and international services invoiced multiplied by the applicable percentage as reflected at [www.windstream.com/billinfo](http://www.windstream.com/billinfo).
