SECTION 21 – CONTRACT TARIFFS, (cont'd.)

21.61 Contract Tariff Option 69

(N)

21.61.1 Scope

- (A) Contract Tariff Option 69, an Interisland DS1 Service, is an offering for new installations of Special Access High Capacity DS1 service connecting two premises or wire centers in Hawaii.
- (B) The regulations, terms and conditions provided in this Section 21.61 apply to all Customers who subscribe to Contract Tariff Option 69 for new services during the specified Service Order Period set forth below.

21.61.2 Eligible Services

This is an offering exclusively for new installations of DS1 service as provided in Section 21.61.3. The quantity and terms are provided in Section 21.61.5 following.

21.61.3 Serving Area

The serving areas for the DS1 route of this option are comprised of the Customer's POP served by the Moanalua wire center on one (1) end of the route and the Customer's POP serviced by the wire center located in Lahaina on the other end. All services that originate and terminate at End User locations are not covered under this Option.

21.61.4 Eligibility Requirements

All of the following requirements must be satisfied to be eligible for subscription to Contract Tariff Option 69.

- (A) Customers who wish to subscribe to Hawaiian Telcom Interisland DS1 Service under this Contract Tariff Option 69 must do so by submitting a written request in a manner designated by the Telephone Company during the Service Order Period which ends on August 31, 2013.
- (B) The eligible Interisland DS1 service and associated rate elements described in Section 21.61.2 preceding and Section 21.61.5 following must be ordered on a term plan as allowed for by Hawaiian Telcom.

SECTION 21 – CONTRACT TARIFFS, (cont'd.)

21.61 Contract Tariff Option 69, (cont'd.)

(N)

21.61.4 Eligibility Requirements, (cont'd.)

- (C) The Customer must accept service on the original service date. If the Customer does not accept service on the original service date, any change to a later date will make the service ineligible for the discount, unless the change is initiated by the Telephone Company.
- (D) A new service cannot be a service that was disconnected from another contract option, discount plan, or tariff arrangement in order to include that service in this plan.

21.61.5 Description of the Plan

- (A) Contract Tariff Option 69 offers the eligible Customer the discounted rates set forth below for the specified term of thirty-six (36) months (Service Term). Except for service provided under another contract tariff in this Section 21 for which minimum revenue or total revenue is measured on a contract level basis, or a term plan as described under Section 5.7 preceding, service subscribed to under this tariff is not eligible for any other service, term or volume discount for services offered under Contract Tariff Option 69.
- (B) Minimum Service Requirements: One (1) interisland DS1 circuit is required between the Customer's POP served by the Moanalua wire center and the Customer's POP served by the wire center location specified in Section 21.61.3 preceding.

	Nonrecurring <u>Charge</u>	Monthly <u>Recurring Charge</u>
One (1) interisland DS1 circuit	\$540.00	\$425.00

- (C) Changes to Service During the Term

Any additions ordered after the Service Term ends will be billed at the then effective tariffed rates as set forth in Section 5.7 preceding and, as such, shall not be eligible under the Plan.
