\*For local transport services provided under individual contract, GLC will begin processing connection of the requested service before a individual contract rate has been negotiated. If the Customer and GLC have not agreed upon a individual contract rate for the request local transport service, the GLC will bill a market based rate for the service. This market based rate will not be more than four times the current NECA rate for similar rate elements provided and will not be less than the current NECA rate for similar rate elements provided. For purposes of calculating the minimum period charge when an individual contract rate has not been agreed to, the minimum period charge will be based on one hundred and fifty percent (150%) of the than current NECA rate for similar rate elements requested.
