AGREEMENT TERM AND TERMINATION

- Effective with the second Measurement Period, if the customer's Contributory Charges fall between the 5th and 15th percentile of the third discount tier, the parties agree to reset the Minimum and Maximum Spend of the discount tiers set forth above, so that the customer's Contributory Charges are positioned at the 15th percentile of the third discount tier. If the contributory Charges fall between the 16th and 25th percentile of the third discount tier, no adjustments will be made to the Minimum and Maximum Spend. If the customer's Contributory Charges are greater than the 25th percentile of the third discount tier, then the Minimum and Maximum Spends of the discount tiers will be adjusted.
- If this Revenue Discount Simplification Plan is terminated prior to the customer meeting the \$59,200,000.00 Revenue Commitment, then the customer will pay early termination charges equal to the Revenue Commitment less any net Contributory Charges paid for Contributory Services between the implementation date and 30 days after the date of the last invoice for Contributory Services.
- When the customer's net Contributory Charges for Contributory Services reaches \$59,200,000.00 or greater, the customer may terminate the Revenue Discount Simplification Plan without incurring early termination liability charges.
- The customer may elect to extend the Revenue Discount Simplification Plan for two additional 12 month renewal periods by providing written notification at least 60 days prior to the end of the term or renewal term.
