2. TERMS AND CONDITIONS (Continued)2.2. Application of Terms and Conditions of Service2.2.1. General Application

These Terms and Conditions of Service ("Terms and Conditions"), together with the current rates and provisions applicable a customer's calling plan ("Rates" or "Rate Schedules"), constitute their agreement ("Agreement") with Sprint Communications Company L.P. ("Sprint") for any services (other than Sprint or Nextel wireless services) that customer purchases from Sprint ("Services"). The Rate Schedules are incorporated into this Agreement by reference and are a part of this Agreement. Customer may also obtain information on Rate Schedules and Terms and Conditions by visiting sprint.com/ratesandconditions. It is important that a customer carefully reads all the terms of the Agreement including the **MANDATORY ARBITRATION PROVISION and CLASS ACTION WAIVER PROVISION** set forth in these Terms and Conditions. Customer must have the legal capacity to accept the Agreement. Customer accepts the Agreement when they enroll in, use or pay for the Services covered by the Agreement. If customer does not want to accept the Agreement, do not do any of these things.

2.2.2. Changes to Rates, Terms and Conditions

Sprint reserves the right to change the terms of the Agreement at any time. Customers will be provided notice of material changes to Rates and the Terms and Conditions consistent with Section 2.13.3., which includes posting on the Sprint website. It is a customer's responsibility to ensure that they have the most up-to-date Rate Schedules and Terms and Conditions. **A customer's continued use of the services after any change constitutes their acceptance of the revised Agreement.**

2.2.3. Scope

This Agreement applies to domestic and international long-distance calls, but does not apply to Sprint or Nextel wireless services. State regulations and requirements, including tariffs filed with the State Public Service Commissions, apply to a customer's intrastate telecommunications services. This Agreement also applies to all calls made on the Sprint network by Casual Callers (these Rates may be considerably higher than Sprint's basic Rates or calling plan Rates), and by callers using a calling card issued by a Local Telephone Company (the company providing customer with traditional local phone service). If Customer is a business customer, their Agreement is governed by the Standard Terms and Conditions for Business Communications Services and the applicable product-specific terms posted at sprint.com/ratesandconditions, under Business Communications Services Terms and Conditions.

Where applicable, Sprint will assess a monthly In-State Access Charge of up to \$1.99 that is based on access costs Sprint must pay to a customer's local carrier to utilize local phone lines.

2.5.10. Other Surcharges

Sprint may assess other surcharges to recover amounts Sprint is required pay to in support of statutory or regulatory programs (including, but not limited to, state-specific universal service funds, lifeline charges, mandated user fees, telecommunications and deaf relay charges, and other federal and state miscellaneous charges), as well as excise, sales, use, gross receipts or other similar taxes levied by a governing body on Sprint.

INTEREXCHANGE COMMON CARRIER SERVICE

2. TERMS AND CONDITIONS (Continued)2.6. Payment of Charges2.6.1. Billing

The following is applicable: (A) unless a customer is told otherwise, Sprint will bill them for Services on a monthly basis based on the usage charges in effect when the call is placed and the monthly recurring charges (MRCs) in effect on the last day of their billing cycle. MRCs begin accruing when the Service is available for customer's use; (B) customer may be invoiced a prorated portion of their MRC in the initial month of service. MRCs may be billed in arrears or in advance, depending on the Service, while monthly usage charges are generally billed in arrears; (C) unless the applicable Rates provide otherwise, Sprint will bill customer in whole-minute increments with partial minutes of use rounded up to the next whole minute. A customer will not be charged for calls that are not answered; (D) if the total for all computed domestic interstate or international call charges includes a fraction of a cent, the fraction will be rounded down to the next whole cent; (E) if a customer's monthly charges net to \$0, they may not be mailed a paper invoice—invoice information will remain available in a customer's account section at sprint.com; and (F) a fee of up to \$3 may apply for invoice reprints.

2.6.2. Payment Terms

Payment is due in full as stated on a customer's bill and they agree to pay the Rates applicable to their Services, in addition to any applicable taxes, fees, and Surcharges. Notwithstanding Section 2.6.3., a customer must pay all undisputed charges in U.S. currency within 30 days of the invoice date. Sprint may charge a customer interest on those charges equal to the lesser of 1.5% per month or the maximum rate allowed by law for all late payments. The interest will be applied to the entire unpaid balance. If customer chooses to be billed for Services by their Local Telephone Company, they are subject to their Local Telephone Company's payment policies, including applicable late payment charges. Sprint may charge customer a Returned Check Fee, up to the maximum rate allowed by law, if their check, bank draft or electronic funds transfer is returned for insufficient funds. This fee varies by state and may be set forth in Sprint in-state tariffs. Sprint may provide a customer's payment history and other account billing/charge information to any credit reporting agency or industry clearinghouse.

2.6.3. Disputed Charges

Disputes concerning any charges invoiced must be raised within 60 days of the date of customer's invoice. Customer may also request an adjustment for wrong number calls. Customer accepts all charges not disputed within 60 days. To dispute a charge on their invoice, a customer must follow the procedures in Section 2.10.

2. TERMS AND CONDITIONS (Continued)2.7. Use of Service

A customer agrees: (A) to ensure compliance with the Terms and Conditions herein by anyone whom they authorize to use the Services, including any specific terms associated with the use of their Services; (B) to comply with any limitations or restrictions imposed by the foreign carriers or agencies when placing international calls; (C) to pay all charges for Services provided under this section including, but not limited to, unauthorized charges incurred on calls placed from a customer's premises or using a calling card or authorization code that Sprint has issued to a customer; (D) to ensure that a customer's actions and equipment do not directly or indirectly interfere with Sprint's ability to provide Services to others; (E) to comply with all applicable laws and regulations when using Sprint Services and that a customer will not use Sprint Services in an unlawful, fraudulent or abusive manner, or allow others to do so; (F) to not sell, resell, lease or otherwise distribute Sprint Services to anyone without Sprint's prior written consent; and (G) to comply with the Acceptable Use Policy and Visitors Agreement, which are available at sprint.com/legal/agreement.html (as amended); (H) **that, in its sole discretion and without liability to a customer, Sprint may place restrictions on use of a customer's Services, and immediately (even during a call) disrupt, suspend or terminate a customer's Services without notice for violations, suspected violations, or to prevent violations of these terms.**

2. TERMS AND CONDITIONS (Continued)2.8. Termination of Services2.8.1. By Customer

For any reason, a customer may cancel Services at any time by telling their Local Exchange Carrier that they wish to change their long-distance service to another carrier.

2.8.2. By Sprint

Sprint may discontinue a customer's Services with or without notice, depending on the circumstances, for any reason including, but not limited to, nonpayment of any amount owed to Sprint or billed by Sprint on behalf of others, including disputed amounts that Sprint determines were validly invoiced.

2.8.3. Termination and Payment

Unless Sprint tells a customer otherwise, it may take up to 30 days to disconnect their Services; they must pay all charges incurred until disconnection. Customer will be charged the full MRC for their Services for the month in which their Services terminate. Promotional credits may not be provided on a customer's final invoice.

2.9. Disclaimer of Warranties

Sprint makes no representations or warranties, express or implied, including (to the extent allowed by law) any implied warranty of non-infringement, merchantability or fitness for a particular purpose concerning your Services (including your device). Sprint does not promise uninterrupted or error-free Services and does not authorize anyone to make warranties on our behalf, and Customer agree to hold Sprint harmless for all such problems.

INTEREXCHANGE COMMON CARRIER SERVICE

2. TERMS AND CONDITIONS (Continued)2.10. Dispute Resolution2.10.1. Dispute Process

If a customer has a dispute with Sprint relating to any matter, they agree to first notify Sprint's Customer Service department at the number listed on their invoice or to write Sprint Correspondence, P.O. Box 15955, Shawnee Mission, KS 66285-5955 in an attempt to resolve their dispute. Customer must describe their dispute and provide Sprint with any supporting documentation. If Sprint has a dispute with a customer it will notify them by letter sent to their billing address in an attempt to resolve the dispute. If after following this process either party is unable to resolve its dispute within 60 days of notifying the other party, either party may take the dispute to small claims court if appropriate under the court's rules. Alternatively, either party may pursue the dispute only as set forth below.

2.10.2. Mandatory Arbitration of Disputes

Customer and Sprint agree to arbitrate all disputes between them, on an individual basis, not on a class-wide or consolidated basis. This agreement to arbitrate is intended to be broadly interpreted. In arbitration, there's no judge or jury. However, just as a court would, the arbitrator must honor the terms and limitations in the Agreement and can award damages and relief, including any attorneys' fees authorized by law. The arbitrator's decision and award is final and binding, with some exceptions under the Federal Arbitration Act ("FAA"), and judgment on the award may be entered in any court with jurisdiction.

Customer and Sprint each also agree as follows:

(1) "Disputes" are any claims or controversies against each other related in any way to or arising out of in any way Sprint Services or the Agreement, including, but not limited to, coverage, devices, billing services and practices, policies, contract it arises after Services have terminated.

Disputes include claims that a customer brings against Sprint's employees, agents, affiliates, or other representatives or that Sprint brings against a customer. It also includes, but is not limited to claims related in any way to or arising out of in any way any aspect of the relationship between a customer and Sprint, whether based in contract, tort, statute, fraud, misrepresentation, or any other legal theory.

(2) If either Sprint or customer wants to initiate a claim to arbitrate a Dispute, they each agree to send written notice to the other providing a description of the dispute, a description of previous efforts to resolve the dispute, all relevant documents and supporting information, and the proposed resolution. Notice to a customer will be sent as described in the "Providing Notice to Each Other Under The Agreement" section and notice to Sprint will be sent to: General Counsel; Arbitration Office; 12502 Sunrise Valley Drive, Mailstop VARESA0202-2C682;

INTEREXCHANGE COMMON CARRIER SERVICE

2. TERMS AND CONDITIONS (Continued)2.10. Dispute Resolution (Continued)2.10.2. Mandatory Arbitration of Disputes (Continued)

Reston, VA 20191. Sprint and customer each agree to make attempts to resolve the dispute prior to filing a claim for arbitration. If Sprint and customer cannot resolve the dispute within 45 days of receipt of the notice to arbitrate, then Sprint and customer each may submit the dispute to formal arbitration.

(3) The FAA applies to this Agreement and arbitration provision. Sprint and customer each agree that the FAA's provisions—not state law—govern all questions of whether a dispute is subject to arbitration.

(4) Unless Sprint and customer each agree otherwise, the Arbitration will be conducted by a single, neutral arbitrator and will take place in the county of the last billing address of the Service.

(5) The arbitration will be governed and conducted by (a) a neutral third party arbitrator selected by Sprint and customer and based upon rules mutually agreed to by Sprint and customer or (b) JAMS. The JAMS rules, including rules about the selection of an arbitrator, filing, administration, discovery, and arbitrator fees, will be conducted under JAMS Comprehensive Arbitration Rules & Procedures. The JAMS rules are available on its website at jamsadr.com. To the extent that this "Dispute Resolution" section conflicts with JAMS's minimum standards for procedural fairness, the JAMS's rules or minimum standards for arbitration procedures in that regard will apply. However, nothing in this paragraph will require or allow Sprint or customer to arbitrate on a class-wide or consolidated basis.

(6) WE EACH AGREE THAT WE WILL ONLY PURSUE ARBITRATION ON AN INDIVIDUAL BASIS AND WILL NOT PURSUE ARBITRATION ON A CLASS-WIDE OR CONSOLIDATED BASIS. We each agree that any arbitration will be solely between a customer and Sprint (not brought on behalf of or together with another individual's claim). If for any reason any court or arbitrator holds that this restriction is unconscionable or unenforceable, then Sprint's agreement to arbitrate doesn't apply and the dispute must be brought in court.

(7) Sprint and customer each are responsible for our respective costs relating to counsel, experts, and witnesses, as well as any other costs relating to arbitration. However, Sprint and customer will pay for the arbitration administrative or filing fees, including the arbitrator fees. Otherwise the JAMS Comprehensive Arbitration Rules & Procedures and the JAMS Policy on Consumer Arbitrations Pursuant to Pre-Dispute Clauses, Minimum Standards of Procedural Fairness regarding costs and payment apply.

2. TERMS AND CONDITIONS (Continued)2.10. Dispute Resolution (Continued)2.10.3. Exceptions to Sprint and Customer's Agreement to Arbitrate Disputes

Either Sprint or customer may bring qualifying claims in small claims court. In addition, this arbitration provision does not prevent customer from bringing their dispute to the attention of any federal, state, or local government agency that can, if the law allows, seek relief against Sprint on their behalf.

2.10.4. No Class Actions

TO THE EXTENT ALLOWED BY LAW, SPRINT AND THE CUSTOMER EACH WAIVE ANY RIGHT TO PURSUE DISPUTES ON A CLASSWIDE BASIS; THAT IS, TO EITHER JOIN A CLAIM WITH THE CLAIM OF ANY OTHER PERSON OR ENTITY OR ASSERT A CLAIM IN A REPRESENTATIVE CAPACITY ON BEHALF OF ANYONE ELSE IN ANY LAWSUIT, ARBITRATION, OR OTHER PROCEEDING.

2.10.5. No Trial by Jury

TO THE EXTENT ALLOWED BY LAW, SPRINT AND CUSTOMER EACH WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY LAWSUIT, ARBITRATION, OR OTHER PROCEEDING.

2.11. Limitations of Liability

Neither Sprint nor its vendors, suppliers or licensors are responsible for any damages resulting from: (A) act or omission by a customer, or another person or company; (B) providing or failing to provide Services, including deficiencies or problems with any equipment, the network or Services (e.g., blocked calls, transmission failures, interruptions in Service, etc.); (C) traffic or other accidents, or any health-related claims relating to Sprint's Services; (D) content or information accessed while using Sprint's Services, such as through the Internet; (E) interruption or failure in accessing or attempting to access emergency services, including through 911, E911 or otherwise; or (F) things beyond Sprint's control, including acts of God including, without limitation, weather-related phenomena, fire or earthquake), war, terrorist attacks, riot, strike, or orders of governmental authority.

To the extent allowed by law, Sprint's liability for monetary damages for any claims a customer may have against Sprint is limited to no more than the proportionate amount of the Service Rates attributable to the affected period. Under no circumstances is Sprint liable for any incidental, consequential, punitive or special damages of any nature whatsoever arising out of or related to providing or failing to provide Services in connection with any equipment, including, but not limited to, lost profits, loss of business, or cost of replacement products and services.

INTEREXCHANGE COMMON CARRIER SERVICE

2. TERMS AND CONDITIONS (Continued)2.12. Privacy

Customer agrees to the terms of Sprint's Privacy Policy, available at Sprint's website (sprint.com/legal/privacy.html), when they use Sprint Services. This policy may change from time to time, so customer needs to review this policy with regularity and care. Among other things, the policy includes important information on what information Sprint collects about a customer, how Sprint use that information, and with whom Sprint shares that information (for example, to provide a customer certain Services, to protect Sprint's rights and interests, to respond to legal process, to facilitate a merger, etc.). Also, to ensure the quality of Sprint's Services and for other lawful purposes, Sprint may also monitor or record calls between it and a customer (for example, a customer's conversations with Sprint customer service or sales departments). As Sprint provides telecommunication Services to a customer (the account holder), Sprint develops information about the quantity, technical configuration, type and destination of telecommunications Services a customer uses, as well as some other information found on their bill ("CPNI"). Under federal law, a customer has the right, and Sprint has a duty, to protect the confidentiality of a customer's CPNI. If a customer does not agree with the terms of Sprint's Privacy Policy, they should not purchase or use Sprint Services.

3. SERVICE AND RATE DESCRIPTION (Continued)3.3. Sprint Sense International Access

Sprint Sense International Access provides call completion assistance for station-to-station, person-to-person and collect calls by a Sprint operator who can be reached by dialing a toll free number in the foreign country. The per minutes rates below are an add-on to various Sprint products and are not available on a stand-alone basis. The Sprint products with which they are associated may be either ones that are currently offered or ones that are no longer offered to new customers. In order to inform customers of the applicable rates, links are provided from those products to this rate schedule.

The outbound portion of those calls terminating in an international point will be assessed an additional per minute charge as well as the appropriate Sprint International Access per call surcharge found in Section 3.3.(3).

All calls will be rated and billed in U.S. currency and may be billed to the customer's FÖNCARD or BOC Calling Card.

All calls, including those terminating to a toll free terminating number, will be billed the Sprint International Access first minute or less rate and an additional minute (or fraction thereof) rate with an applicable surcharge.

A customer can obtain directory or general assistance from the Sprint operator (for example, U.S. area code information, time of day in U.S. cities, call rates, and/or call completion assistance).

The customer may be assessed a local call charge by the foreign telephone administration.

Some public phones may require a deposit of coins to get a dial tone.

Third country calling is available when an additional \$1.25 is added to [Sprint International Access](#) rates.
