2. TERMS AND CONDITIONS (Continued)**2.15. Regulatory Programs**

A customer must pay additional charges that Sprint may impose to recover amounts Sprint is required by regulatory or other governmental authorities to collect on behalf of or pay to others in support of statutory or regulatory programs.

2.16. Credit Card Payment

If a customer pays by credit card, the payment is also subject to the terms of their agreement with the credit card issuer.

2.17. Unauthorized Charges

A customer is responsible for paying all charges for services provided under this tariff, including, but not limited to, unauthorized charges using a FÖNCARD number or authorization code that Sprint has issued a customer.

2.18. Refunds

A customer who believes they have overpaid Sprint, must submit a claim to Sprint within 60 days after the claimed overpayment, along with evidence supporting the claim. In calculating any refund, Sprint will adjust usage discounts based on total usage after all credits or adjustments have been applied. If a billing error results in an overbilling or overcharge, Sprint may refund the amount overbilled or overcharged by issuing a credit to a customer's account.

2. TERMS AND CONDITIONS (Continued)**2.19. Interconnection with Carriers**

Service furnished by Sprint may be connected with the services or facilities of carriers or other companies. Such service or facilities, if used, are provided under the terms, rates and conditions of the other carrier or company. The Aggregator is responsible for all charges billed by carriers for use in connection with Sprint's service. Any special interface equipment or facilities necessary to achieve compatibility between carriers is the responsibility of the Aggregator.

2.20. Refusal or Discontinuance by Company

Sprint may refuse or discontinue service under the following conditions. Unless otherwise stated, the Customer or Aggregator will be given notice and allowed a reasonable time to comply with any rule or remedy any deficiency.

For non-compliance with and/or violation of any Federal, State or municipal law, ordinance or regulation pertaining to telephone service.

For the use of telephone service for any other property or purpose other than that described in the application.

For neglect or refusal to provide reasonable access to the Company for the purpose of inspection and maintenance of equipment owned by the Company.

For non-compliance with and/or violation of the FCC's regulations or the Company's rules and regulations.

For non-payment of bills for telephone service.

Without notice in the event of Customer or Aggregator use of equipment in such a manner as to adversely affect the Company's equipment or the Company's service to others.

Without notice in the event of tampering with the equipment furnished and owned by the Company.

Without notice in the event of unauthorized or fraudulent use of service. Whenever service is discontinued for fraudulent use of service, the Company may, before restoring service, require the Customer or Aggregator to make, at his own expense, all changes in facilities or equipment necessary to eliminate illegal use and to pay an amount reasonably estimated as the loss in revenues resulting from such fraudulent use.

For failure of the Aggregator to make proper application for service.

2. TERMS AND CONDITIONS (Continued)**2.20. Refusal or Discontinuance by Company (Continued)**

For Aggregator's breach of the contract for service between the Company and the Aggregator.

When necessary for the Company to comply with any order or request of any governmental authority having jurisdiction.

2.21. Inspection, Testing and Adjustment

Upon reasonable notice, the services provided by the Company shall be made available to the Company for tests and adjustments as may be deemed necessary by the Company for maintenance. No interruption allowance will be granted for the time during which such tests and adjustments are made when the interruption is less than twenty-four consecutive hours.

2.22. Interruption of Service

Credit allowances for interruptions of service which are not due to the Company's testing or adjusting, to the negligence of the Customer or Aggregator, or to the failure of channels, equipment or communications systems provided by the Aggregator, are subject to the general liability provisions set forth in Section 2.6 herein. It shall be the obligation of the Customer or Aggregator to notify Company immediately of any interruption in service for which a credit allowance is desired by Customer or Aggregator. Before giving such notice, Aggregator shall ascertain that the trouble is not within his or her control, or is not in wiring or equipment, if any, furnished by Aggregator and connected to Company's terminal. Interruptions caused by Aggregator-provided or Company-provided automatic dialing equipment are not deemed an interruption of service as defined herein since the Customer has the option of using the long distance network via local exchange company access.

2. TERMS AND CONDITIONS (Continued)**2.24. Dispute Resolution**

Disputes concerning any charges invoiced must be raised within 60 days of the date of customer's invoice. Customer may also request an adjustment for wrong number calls. Customer accepts all charges not disputed within 60 days. To dispute a charge on their invoice, a customer must follow the procedures herein.

2.24.1. Dispute Process

If a customer has a dispute with Sprint relating to any matter, they agree to first notify Sprint's Customer Service department at the number listed on their invoice or to write Sprint Correspondence, P.O. Box 15955, Shawnee Mission, KS 66285-5955 in an attempt to resolve their dispute. Customer must describe their dispute and provide Sprint with any supporting documentation. If Sprint has a dispute with a customer it will notify them by letter sent to their billing address in an attempt to resolve the dispute. If after following this process either party is unable to resolve its dispute within 60 days of notifying the other party, either party may take the dispute to small claims court if appropriate under the court's rules. Alternatively, either party may pursue the dispute only as set forth below.

2.24.2. Mandatory Arbitration of Disputes

Customer and Sprint agree to arbitrate all disputes between them, on an individual basis, not on a class-wide or consolidated basis. This agreement to arbitrate is intended to be broadly interpreted. In arbitration, there's no judge or jury. However, just as a court would, the arbitrator must honor the terms and limitations in the Agreement and can award damages and relief, including any attorneys' fees authorized by law. The arbitrator's decision and award is final and binding, with some exceptions under the Federal Arbitration Act ("FAA"), and judgment on the award may be entered in any court with jurisdiction.

Customer and Sprint each also agree as follows:

(1) "Disputes" are any claims or controversies against each other related in any way to or arising out of in any way our Services or the Agreement, including, but not limited to, coverage, devices, billing services and practices, policies, contract it arises after Services have terminated.

Disputes include claims that a customer brings against Sprint's employees, agents, affiliates, or other representatives or that Sprint brings against a customer. It also includes, but is not limited to claims related in any way to or arising out of in any way any aspect of the relationship between a customer and Sprint, whether based in contract, tort, statute, fraud, misrepresentation, or any other legal theory.

2. TERMS AND CONDITIONS (Continued)**2.24. Dispute Resolution (Continued)****2.24.2. Mandatory Arbitration of Disputes (Continued)**

(2) If either Sprint or customer wants to initiate a claim to arbitrate a Dispute, they each agree to send written notice to the other providing a description of the dispute, a description of previous efforts to resolve the dispute, all relevant documents and supporting information, and the proposed resolution. Notice to customer will be sent as described in the "Providing Notice to Each Other Under The Agreement" section and notice to us will be sent to: General Counsel; Arbitration Office; 12502 Sunrise Valley Drive, Mailstop VARESA0202-2C682; Reston, VA 20191. Sprint and customer each agree to make attempts to resolve the dispute prior to filing a claim for arbitration. If Sprint and customer cannot resolve the dispute within 45 days of receipt of the notice to arbitrate, then Sprint and customer each may submit the dispute to formal arbitration.

(3) The FAA applies to this Agreement and arbitration provision. Sprint and customer each agree that the FAA's provisions—not state law—govern all questions of whether a dispute is subject to arbitration.

(4) Unless Sprint and customer each agree otherwise, the Arbitration will be conducted by a single, neutral arbitrator and will take place in the county of the last billing address of the Service.

(5) The arbitration will be governed and conducted by (a) a neutral third party arbitrator selected by each of us and based upon rules mutually agreed to by each of us or (b) JAMS. The JAMS rules, including rules about the selection of an arbitrator, filing, administration, discovery, and arbitrator fees, will be conducted under JAMS Comprehensive Arbitration Rules & Procedures. The JAMS rules are available on its website at jamsadr.com. To the extent that this "Dispute Resolution" section conflicts with JAMS's minimum standards for procedural fairness, the JAMS's rules or minimum standards for arbitration procedures in that regard will apply. However, nothing in this paragraph will require or allow Sprint or customer to arbitrate on a class-wide or consolidated basis.

(6) SPRINT AND CUSTOMER EACH AGREE THAT WE WILL ONLY PURSUE ARBITRATION ON AN INDIVIDUAL BASIS AND WILL NOT PURSUE ARBITRATION ON A CLASS-WIDE OR CONSOLIDATED BASIS. Sprint and customer each agree that any arbitration will be solely between customer and Sprint (not brought on behalf of or together with another individual's claim). If for any reason any court or arbitrator holds that this restriction is unconscionable or unenforceable, then Sprint and customer's agreement to arbitrate doesn't apply and the dispute must be brought in court.

2. TERMS AND CONDITIONS (Continued)**2.24. Dispute Resolution (Continued)****2.24.2. Mandatory Arbitration of Disputes (Continued)**

(7) Sprint and customer each are responsible for their respective costs relating to counsel, experts, and witnesses, as well as any other costs relating to arbitration. However, Sprint and customer will pay for the arbitration administrative or filing fees, including the arbitrator fees. Otherwise the JAMS Comprehensive Arbitration Rules & Procedures and the JAMS Policy on Consumer Arbitrations Pursuant to Pre-Dispute Clauses, Minimum Standards of Procedural Fairness regarding costs and payment apply.

2.24.3. Exceptions to Sprint and Customer's Agreement to Arbitrate Disputes

Either Sprint or customer may bring qualifying claims in small claims court. In addition, this arbitration provision does not prevent customer from bringing their dispute to the attention of any federal, state, or local government agency that can, if the law allows, seek relief against us on their behalf.

2.24.4. No Class Actions

TO THE EXTENT ALLOWED BY LAW, SPRINT AND THE CUSTOMER EACH WAIVE ANY RIGHT TO PURSUE DISPUTES ON A CLASSWIDE BASIS; THAT IS, TO EITHER JOIN A CLAIM WITH THE CLAIM OF ANY OTHER PERSON OR ENTITY OR ASSERT A CLAIM IN A REPRESENTATIVE CAPACITY ON BEHALF OF ANYONE ELSE IN ANY LAWSUIT, ARBITRATION, OR OTHER PROCEEDING.

2.24.5. No Trial by Jury

TO THE EXTENT ALLOWED BY LAW, SPRINT AND CUSTOMER EACH WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY LAWSUIT, ARBITRATION, OR OTHER PROCEEDING.

3. DESCRIPTION OF SERVICE, RATES AND CHARGES

3.1. Call Charges

Long distance usage charges are based on the actual usage. No fixed monthly fees or installation charges apply.

Unless otherwise specified in this tariff, the minimum call duration for billing purposes is one (1) minute.

Unless otherwise specified in this tariff, usage is measured and rounded to the higher full minute for billing purposes.

The Company will not bill for unanswered calls in areas where equal access is available. The Company will not knowingly bill for unanswered calls in areas where equal access is not available.

3.2. Calculation of Distance

Usage charges are based on the airline distance between the serving wire centers associated with the originating and terminating points of the call. The serving wire centers of a call are determined by area code and exchange numbers.

All calls are billed from the End User's serving wire center to the terminating point serving wire center. If a call must be transferred to a carrier for completion such that the mileage would be calculated otherwise, the End User will be informed that the rates for the call may not reflect the rates from the actual originating location and the End User must consent to the transfer.

The distance between the originating point and that of the destination point is calculated by using the "V" and "H" coordinates as defined by NECA Tariff F.C.C. No. 4, in the following manner:

Step 1 - Obtain the "V" and "H" coordinates for the originating point and the destination point.

Step 2 - Obtain the difference between the "V" coordinates of each of the serving wire centers. Obtain the difference between the "H" coordinates.

Step 3 - Square the differences obtained in Step 2.

Step 4 - Add the squares of the "V" difference and "H" difference obtained in Step 3.

3. DESCRIPTION OF SERVICE, RATES AND CHARGES (Continued)

3.2. Calculation of Distance (Continued)

Step 5 - Divide the sum of the square obtained in Step 4 by ten (10). Round to the next higher whole number if any fraction results from the division.

Step 6 - Obtain the square root of the whole number obtained in Step 5. Round to the next higher whole number if any fraction is obtained. This is the distance between the originating and terminating wire centers.

Formula:

$$\sqrt{\frac{(V_1 - V_2)^2 + (H_1 - H_2)^2}{10}}$$

3.3. Sprint Long Distance Service

Sprint Long Distance Service is provided to host locations for use by transient end users. This service anticipates the provision of operator services and/or billing options. Service is offered under this informational tariff to Aggregators throughout the United States for interstate calling. Calls are routed over transmission and switching facilities of the underlying carrier to any valid NPA-NXX in the United States.

Calls are measured as described in Section 3.2 of this tariff and are rated based on time of day, call duration and mileage. Per-minute usage sensitive charges, as well as per-call operator service charges and aggregator surcharges apply.

3.4. Dialing Options

The End User may choose to place a call using the following dialing options:

- 0-- Operator enters the destination number and the billing number.
- 0+- End User enters the destination number; Operator enters the billing number.
- 0++ End User enters the destination number and the billing number (Telco Card and Credit Card Calls only).

3. DESCRIPTION OF SERVICE, RATES AND CHARGES (Continued)

3.5. Service Availability

Interstate service is available at originating locations throughout the United States.

3.6. Rate Adjustment

Sprint may adjust its rates and charges or impose additional rates or surcharges on Customer to recover amounts that it is required by governmental or quasi-governmental authorities to collect on their behalf or to pay to others in support of statutory or regulatory programs, plus amounts to recover the administrative costs associated with such charges or programs. Examples of such charges include, but are not limited to, the Primary Interexchange Carrier Charge, Carrier Universal Service Charge, and Compensation to Payphone Providers.

Sprint may impose additional charges or surcharges, or establish new rate elements, to recover amounts Sprint is charged for: (1) terminating or originating a call to wireless carriers; (2) delivering calls to or accepting calls from carriers that charge access rates higher than the incumbent wireline access carriers; or (3) delivering calls to or accepting calls from carriers that impose new or additional charges after execution of this Agreement, plus amounts to recover administrative costs associated with such additional charges. 3.7. PublicFÖN Service @

Listed below are the different types of call origination available from public, semi-public phones, transient location phones and cellular and other resale applications routed to Sprint. In addition to the per minute rates for the call itself, applicable service charges will apply. All calls will be billed either to the caller's LEC calling card or to a specific phone number. Sprint will accept only LEC calling cards, collect phone numbers and third party numbers that can be verified as being valid and that are associated with accounts in good standing. At coin operated public phones and in transient locations where Sprint has the capability to real time rate calls, the rates for such calls will be found in Section 3. All other coin-sent paid calls will be routed to AT&T for completion. PublicFÖN Service rates are available under two rate schedules--Option 1 and Option 2. Option 1 rates would apply to the following customers: all college and university accounts, the Omni Hotels, the Doubletree Hotels, the Fairmont Hotel, the Sheraton Hotels (in Hawaii only), local, state and federal government accounts. Option 2 rates would apply to all other Sprint PublicFÖN service account customers not included under Option 1.

Sprint will offer operator assisted calling. All calls will initially be placed by the customer by dialing 0 + NPA + terminating number. Calls can also be initiated by dialing 10333 + 0 + NPA + terminating number (i.e., casual callers) to access the Sprint network or 10252 + 0 + NPA + terminating number (casual callers) to access Long Distance/USA's network. After receiving the MCCS tone, the customer waits for an operator to come on the line to verify the LEC calling card number and then assist in call completion.
