SECTION 2.0 - REGULATIONS, (CONT'D.)

2.21 Taxes, Surcharges and Other Miscellaneous Charges, (Cont'd.)

2.21.1 Universal Service Fund Charge (USF)

The Federal Universal Service Fund Charge is assessed to all Customers of services included in this tariff where billing capabilities exist. The charge is based on a percentage of Customer's net interstate and international charges incurred during a month and will be equal to the quarterly assessment factor set by the Federal Communications Commission. This charge is in addition to the tariffed per minute usage rates and any applicable monthly service fees and surcharges associated with utilizing the Company's service and is assessed based on billing capability.

For carrier-customers, the Universal Service Fund Charge will not be applied to services sold by the Company to a Customer for resale for which the Customer has filed a Universal Service Worksheet, unless the Customer has a de minimus exemption which exempts the Customer from paying directly into the fund.
