Transmittal No. 137

Effective: August 22, 2014

SECTION 2 - REGULATIONS, (Cont'd.)

2.7 Taxes and Fees, (Cont'd.)

2.7.3 (Cont'd.)

- B. For recovery of contributions paid by the Company to recover Long Distance Access Charges.

Telecommunications services provided by the Company are also subject to an undiscountable monthly charge imposed by the Company and payable by the Customer. The charge, noted on the Customer's bill as a Long Distance Access Charge (formerly Federal Access Charge), shall be added to each line presubscribed to the Company as follows:

(T)
(T)

Single Line Business Customers	\$1.85 per line per month
Multi-line Business Customers	\$3.85 per line per month
Centrex/CustoPak	\$1.85 per line per month
ISDN PRI	\$17.55 per interface* per month

The line determination is based on available Company and/or LEC-provided information. Where line types cannot be determined by the Company, the charge is \$3.85.

The Long Distance Access Charge defrays the cost of access charges and fees that LECs assess on interexchange carriers. This is a Company surcharge, not a tax, and is subject to change.

* The ISDN PRI charge is per pipe, not per channel.

SECTION 2 - REGULATIONS, (Cont'd.)

2.7 Taxes and Fees, (Cont'd.)

2.7.4 Carrier Cost Recovery Charge

A. Applicable to Business Customers:

The Carrier Cost Recovery Charge (CCRC) is a monthly surcharge assessed to defray a portion of the Company's costs for termination of calls on other networks, fees paid to support government programs such as Telecommunications Relay Service and Local Number Portability, along with other charges assessed by the FCC, and additional indirect costs associated with administering and complying with government programs. This surcharge is not a customer tax or fee assessed by a government agency.

The CCRC is applied to each line presubscribed to the Company and is billed monthly. (T)
