Telecommunications services provided by the Company are also subject to an undiscountable monthly charge imposed by the Company and payable by the Customer. The charge, noted on the Customer's bill as a Long Distance Access Charge (formerly Federal Access Charge), shall be added to each long distance line as follows:

Single Line Business Customers	\$1.85 per line per month
Multi-line Business Customers	\$3.85 per line per month
Centrex/CustoPak	\$1.85 per line per month
ISDN PRI	\$17.55 per interface* per month

The line determination is based on available Company and/or LEC-provided information. Where line types cannot be determined by the Company, the charge is \$3.85.

The Long Distance Access Charge defrays the cost of access charges and fees that LECs assess on interexchange carriers. This is a Company surcharge, not a tax, and is subject to change.

* The ISDN PRI charge is per pipe, not per channel.
