5.3 Access Order Charges (Cont'd)

5.3.1 Access Service Request Modification (Cont'd)

(D) Expedited Order Charge

(D)

(D)

An Expedited Order Charge will apply when a customer requests a service date that is earlier than the standard interval date for the following services ordered:

(N)

- Voice Grade
- Program Audio
- Video
- Digital Data
- DS1
- DS3

If the company agrees to provide the service on an expedited basis, an expedited order charge will apply.

The request for an earlier service date may be received from the customer prior to the issuance of an access order, or after the access order has been issued but prior to the service date. When the request for expediting occurs subsequent to the issuance of the Access Order, a Service Date Change Charge as set forth preceding also applies.

If the Telephone Company is subsequently unable to meet an agreed upon expedited service date, no Expedited Order Charge will apply unless the missed service date was caused by the customer.

In the event the customer cancels an expedited access order, the Expedited Order Charge will apply in addition to cancellation charges as described in 5.3.2 (C) following.

An Expedited Order Charge will not apply to access service orders expedited for Telephone Company reasons.

The Expedited Order Charge will apply per access order, per business day improved from the standard interval date to the in-service date. The rate for an Expedited Order Charge is set forth following.

	<u>Rate</u>	
Per Access Order, Per Business Day	\$400.00
