

## Certification of Officer for Rate-of-Return Carrier Seeking Base Period Revenue (BPR) Adjustment

**I am an officer of this reporting carrier and I certify that, in accordance with Commission's Order FCC 14-121, this reporting carrier has:**

- Terminated all intrastate traffic sent to it by Halo for termination during FY 2011 that it seeks to add to its BPR calculations.
- Billed Halo intrastate access charges for such traffic during FY 2011 or before the close of the next regular billing cycle in Fiscal Year 2012 for the amounts to be added to BPR calculations.
- Received a finding of liability regarding compensation for such traffic from a court or state regulatory agency of competent jurisdiction.
- Filed a timely claim in the Halo bankruptcy case requesting compensation for such traffic, and limited any BPR adjustment for a study area resulting from Commission Order FCC 14-121 such that it does not exceed the intrastate access portion of this reporting carrier's bankruptcy claim for that study area.
- Excluded any interest, late payment fees, collection fees, or attorney fees, or other types of revenue from this reporting carrier's BPR adjustment amounts and verified that the revenues supporting the requested BPR adjustments are not already included in the BPR calculations.
- Verified the accuracy of the categories of charges and amounts for each category included in the Halo bankruptcy case claim.
- Calculated the additional requested BPR amount in a manner consistent with the requirements of Commission Order FCC 14-121.
