RE: FCC Access Services Tariff No. 1 – Airus, Inc. (FRN 0009034182)

Dear Ms. Dortch:

Enclosed please find Airus, Inc.'s FCC Tariff No. 1. This tariff is being filed to recognize a name change from IntelPeer, Inc. to Airus, Inc. In late 2013, IntelPeer, Inc.'s voice peering business was acquired by Peerless Network, Inc. Subsequently, the name IntelPeer, Inc. was changed to Airus, Inc. This tariff is being filed to revise the interstate access tariff which IntelPeer, Inc. has had on file since 2012 (as amended in 2013) by replacing the IntelPeer, Inc. name and contact information with Airus, Inc.'s company name and contact information. This tariff does not change any terms, conditions or rates of the IntelPeer tariff. The enclosed Airus, Inc. FCC Tariff No. 2 replaces IntelPeer, Inc. FCC Tariff No. 1 in its entirety. This tariff is being filed with a filed date of September 25, 2014 and requested effective date of September 26, 2014.

Airus, Inc. is a non-dominant carrier and, therefore, supporting documentation under Part 61.38 of the Commission's Rules is not required.
