Side-By-Side Comparison of Tariffs:
SNET Tariff F.C.C. No. 39 compared to Frontier Tariff FCC No. 11

Page 1 of 9

The Southern New England Telephone Company header was replaced with the Frontier Telephone Companies header on every page.
Replace the wording Southern New England Telephone Company or SNET with Frontier Telephone Companies or the Telephone Company throughout the tariff.
Every page is now referenced as Tariff FCC No. 11.
Every page is now an original page, so there are no symbols.
Every page is referenced with Transmittal No. ZZZ.
Tariff No. 11 is planned to be filed October 10, 2014 with an effective date of October 25, 2014.
SNET issuing officer address replaced with Frontier issuing officer address at bottom center of all pages.
Removed all symbols and footnotes related to the symbols.
Moved material up rather than leaving space for deleted material.
Sheets that are not listed under the SNET column that appeared in the filed F.C.C. Tariff No. 39 are considered deleted.
The comparison below covers significant changes to pages that are retained.
Pages corresponding to the pages shown under the SNET heading may be found on the corresponding line under the Frontier heading. If no changes were made, only page numbers are shown.

SNET Tariff FCC No. 39

Frontier Tariff FCC No. 11

Throughout the tariff, the following changes are made:

Inconsistent subsection numbering.

1. Reformatted section numbers of the form 2.1 A. to the form 2.1(A) for consistency.
2. Reformatted section numbers of the form 2.1.3 A. to the form 2.1.3(A) for consistency.

USOCs listed by service

USOCs eliminated from tariff where practical, because Frontier billing systems use different codes than AT&T billing systems.
