The Federal Universal Service Fund Charge is assessed to all Customers of services included in this tariff where billing capabilities exist. The charge is based on a percentage of Customer's net interstate and international charges incurred during a month and will be equal to the quarterly assessment factor set by the Federal Communications Commission. This charge is in addition to the tariffed per minute usage rates and any applicable monthly service fees and surcharges associated with utilizing the Company's service and is assessed based on billing capability.

The Carrier Cost Recovery Fee is intended to recover the Company's administrative costs associated with the FCC regulatory fees and programs, as well as other network and termination costs. For Customers who have selected the Company as their primary interexchange carrier, a Carrier Cost Recovery Fee in the amount of \$1.97 per ANI will be billed each month. For Customers who have not selected the Company as their primary interexchange carrier but access the Company's service via a CAC or dialing a toll free or local access number, a Carrier Cost Recovery Fee in the amount of \$1.97 per ANI will be billed in each month during which the Customer accesses the Company's services.
