TELECOMMUNICATIONS SERVICES TARIFF

SECTION 3.0 - VARTEC TELECOM® DESCRIPTION OF SERVICES (Continued)

3.0 General (Continued)

3.0.3 Special Promotions

The Carrier may from time to time engage in special promotional service offerings which may be limited to certain dates, times and/or locations. These promotions are designed to attract new customers and/or increase customer awareness of particular service offerings. Customers must subscribe to specific promotions within the given time period as stated in the promotional offer. Any ANI disconnected and then reconnected from VT's service for purposes of subscribing to the special promotion may not be eligible. After the initial subscription to a promotion, if no outbound usage is generated by an ANI within the specified time period as stated in the promotional offering, the customer may not receive benefits from the promotion. The promotions may contain special terms and conditions, including but not limited to, usage rates and charges. Such special terms and conditions will be in lieu of those terms, conditions, rates and charges outlined in Sections 3 and 6 of this Tariff.

3.0.4 Federal Universal Service Fund Charge

The Federal Universal Service Fund Charge is assessed to all Customers of services included in this tariff where billing capabilities exist. The charge is based on a percentage of Customer's net interstate and international charges incurred during a month and will be equal to the quarterly assessment factor set by the Federal Communications Commission. This charge is in addition to the tariffed per minute usage rates and any applicable monthly service fees and surcharges associated with utilizing VT's service and is assessed based on billing capability.

3.0.5 Carrier Cost Recovery Fee

The Carrier Cost Recovery Fee is intended to recover VT's administrative costs associated with the FCC regulatory fees and programs, as well as other network and termination costs. This fee is assessed to all customers of service included in this tariff. For Customers who have selected the Company as their primary interexchange carrier, a Carrier Cost Recovery Fee in the amount of \$1.97 per ANI will be billed each month. For Customers who have not selected the Company as their primary interexchange carrier but access the Company's service via a CAC or dialing a toll free or local access number, a Carrier Cost Recovery Fee in the amount of \$1.97 per ANI will be billed in each month during which the Customer accesses the Company's services. For Customers who subscribe to the Company's local exchange services, a Carrier Cost Recovery Fee in the amount of \$1.97 per ANI will be billed in each month during which the Customer accesses the Company's interstate or international services.

The VT Travel Card products identified throughout this tariff are only available to existing Customers who subscribed to a Travel Card product prior to July 1, 2004. Customers with active Travel Card accounts as of July 1, 2004 will continue to receive Travel Card service as set forth in this tariff.

3.0.7 FCC Regulatory Fee (Wireline)

The FCC Regulatory Fee (Wireline) is intended to recover the costs associated with federal regulatory proceedings and compliance. This fee is based on a percentage of Customer's net interstate and international long distance usage during a month and will be equal to the annual assessment factor set by the Federal Communications Commission. This fee is assessed to all customers of service included in this tariff and only in months when there is applicable usage. This fee is not a tax or charge required by the government.

3.0.8 Federal Regulatory Compliance Fee

This fee will assist the Company in recovering the costs of administering, adhering to and filing expenses associated with regulatory proceedings and compliance. This fee will be applied on a per line basis to all Customers presubscribed to the Company's services. This fee is not a tax or charge required by the federal government.

Rate Per Month: \$2.94

3.0.9 LEC Bill Fee

The Company will assess a LEC Bill Fee to all customers of service included in this tariff. This fee is assessed on all interstate and international long distance usage at a rate of 11.9%. The fee recovers the cost of billing through the Customer's local exchange carrier. It is assessed only in months when there is applicable usage. This fee is not a tax or charge required by the Government.
