### 2.6 Payment for Services, (Cont'd.)

2.6.10 If Americatel initiates legal proceedings to collect any amount due hereunder and Americatel substantially prevails in such proceedings, then the Customer shall pay the reasonable attorneys fees and costs of Americatel in prosecuting such proceedings and appeals therefrom. In the event that Americatel suspends the provision of Services to the Customer pursuant to the provisions of this Tariff, Americatel will re-connect the Customer to such Services only when all debts of the Customer to Americatel, including accrued interest and other expenses and costs of collection, have been fully discharged to the satisfaction of Americatel.

### 2.6.11 LEC Bill Fee

The Company will assess a LEC Bill Fee to all customers of service included in this tariff. This fee is assessed on all interstate and international long distance usage at a rate of 11.9%. The fee recovers the cost of billing through the Customer's local exchange carrier. It is assessed only in months when there is applicable usage. This fee is not a tax or charge required by the Government. (T)

2.6.12 All applicable taxes, fees, charges, exactions, or the like which must be paid to any governmental authority - federal, state, local, municipal or otherwise - for the provision of telecommunications services and which, pursuant to the rules and regulations governing such applicable taxes, fees, charges, exactions or the like, may be charged directly to the Customer, will be separately stated on the Customer's bill and charged to, and collected from, the Customer. It shall be the responsibility of the Customer to pay these taxes, and to accept the liability of any such unpaid taxes that may subsequently become applicable retroactively.
