With this filing, NBTC is adding a line item to reflect the Centrex Access Recovery Charge (ARC) rate separately from the Multiline Business (MLB) ARC, mirroring the format of the other sections of the tariff relating to Federal surcharges, therefore alleviating customer confusion. Centrex customers are currently being billed the Multiline Business ARC, pursuant to Sections 51.915(e) and 54.802(a) of the Code of Federal Regulations.

In accordance with Section 61.14, this transmittal letter and associated attachments are being filed electronically today via the Federal Communications Commission's Electronic Tariff Filing System (ETFS) in compliance with the electronic filing procedures.
