With this filing, NBTC is proposing to move contracts having concurrent subscriptions with Frontier Communications (Frontier). These contracts will be moved to a separate section with section numbering updated and references to The Southern New England Telephone Company (SNET) replaced with Frontier. These actions are necessitated due to the sale of The Southern New England Telephone Company by AT&T to Frontier. Frontier has similarly created a separate section in its Frontier Tariff FCC No. 11 for contracts having concurrent subscription with AT&T companies.

Supporting information discussed under Section 61.49 of the Commission's Rules, to the extent applicable, is included with this filing in the attached Description and Justification.
