ACCESS SERVICE

---

**SECTION 3 - END USER ACCESS SERVICE (CONT'D.)**

3.6 Rate Regulations (Cont'd.)

3.6.5 Local Number Portability

Local Number Portability (LNP) is a service that provides residential and business Customers with the ability to retain, at the same location, their existing local telephone numbers when switching from one local telephone service provider to another. The LNP charge recovers the Company's cost for maintenance and support of number portability and applies to all local voice lines prescribed to the Company. Up to the five (5) LNP charges will apply when local voice service is delivered to a Customer via a T-1 and ISDN-PRI connection.

3.6.6 Regulatory Cost Recovery Fee (RCRF)

The Regulatory Cost Recovery Fee (RCRF) is a monthly charge assessed on end users that allow the Company to recover costs associated with the compliance with various federal regulatory fees and programs. This charge is not a government-imposed fee. The RCRF rate is 3.5% percent of a Customer's net interstate and international service charges, exclusive of taxes. This charge is not subject to any discounting and does not contribute to any monthly minimums.

3.6.7 Presubscribed Interexchange Long Distance (PILD) Charge

The Presubscribed Interexchange Long Distance (PILD) Charge is a monthly charge applicable to multi-line business, ISDN-PRI and T01 Customers, the Company will assess five (5) PILD charges per circuit. This charge will not be prorated for a partial month of service, is not subject to any discounting and does not contribute to any monthly minimums.

3.6.8 Billing & Collections Fee

A monthly billing and collection fee applies per billing statement. This charge allows the Company to recover costs associated with statement rendering collection activities.

3.6.9 Access Recovery Charge (ARC)

The Access Recovery Charge (ARC) is a monthly charge authorized by the FCC as part of its Inter-carrier Compensation (ICC) Reform initiative. The ARC is designed to recover increased network costs for access circuits used to provide service to customers. For CTC resale customers, the ARC will be equivalent to the ARC charged by the applicable incumbent local exchange carrier.
