ACCESS SERVICE**4. SWITCHED ACCESS SERVICE (Cont'd)****4.2 Provision and Description of Switched Access Service Arrangements (Cont'd)****4.2.4 Descriptions and Application of Rates****(A) Reference of Switched Access Rates to Incumbent Local Exchange Carrier Tariffs**

The rates in Section 12 of this Tariff for Switched Access Services are referenced to the applicable current rates in the following incumbent local exchange carrier tariffs: Verizon Telephone Companies Tariff F.C.C. No. 1, No. 11, No. 14 and No. 16, CenturyLink Operating Companies Tariff F.C.C. No. 11, Frontier Telephone Companies Tariff F.C.C. No. 3, No. 4 and No. 11, Fairpoint Telephone Companies Tariff F.C.C. No. 1, Ameritech Operating Companies Tariff F.C.C. No. 2, BellSouth Telecommunications, LLC Tariff F.C.C. No. 1, Pacific Bell Telephone Company Tariff F.C.C. No. 1 and Southwestern Bell Telephone Company Tariff F.C.C. No. 73.

For purposes of rate references, "current rate" shall mean the tariffed rate in effect at the time the service is provided by the Company.

The Company's switched access rates, as based on the rates charged by the applicable incumbent local exchange carrier, comport with Section 61.26(e) of the Federal Communications Commission's (FCC's) rules respecting interstate switched access charges for competitive local exchange carriers."

References to the incumbent local exchange carrier tariffs are to the applicable specific section at the time of filing of the respective original or most recent revised page in the applicable tariff. In the event the referenced section numbers are changed, and a revised reference has not been filed herein, the rate provided for under the revised incumbent local exchange carrier tariff shall apply notwithstanding the change in section number.

(B) Recurring Rates

(1) Usage Rates for Switched Access Service are rates that apply on a per access minute or a per call basis. Access minute charges and per call charges are accumulated over a monthly period.

(2) Flat Rates for Switched Access Service are rates that apply on a per month per rate element basis.

(C) Nonrecurring Charges

Nonrecurring charges are one-time charges that apply for a specific work activity (i.e., installation or change to an existing service). The types of nonrecurring charges that apply for Switched Access Service are: installation of service and service rearrangements. These charges are in addition to the Access Order Charge as specified in Section 12 following.

ACCESS SERVICE**5. END USER ACCESS SERVICE, FEDERAL UNIVERSAL SERVICE CHARGE (Cont'd)****5.2 Federal Universal Service Charge****5.2.1 General**

The Federal Universal Service Charge (FUSC) recovers the Company's contribution to various federal universal service funds. The Company will apply the FUSC through flat-rated, monthly line charges assessed to end users that are billed End User Common Line charges and through a surcharge on monthly billed charges to end users that order interstate special access services.

5.2.2 Rate Application

Rates for the FUSC are set forth in Section 12, following. (T)

The monthly Basic rate applies per each local exchange service line or trunk classified as business or residential service as described in the Company's general or local tariff.

The FUSC Special Access Services Revenue Surcharge will be determined by multiplying the surcharge factor shown in Section 12 following by the end user's monthly interstate special access services charges at the billing account level. (T)

5.2.3 Reference of Federal Universal Service Charge to Incumbent Local Exchange Carrier Tariffs (C)

The rates in Section 12 of this tariff for the Federal Universal Service Charge (FUSC) charges are referenced to the applicable current Universal Service Fund Charge rates in the applicable incumbent local exchange carrier tariff. For purposes of rate references, to "current rate" shall mean the tariffed rate in effect at the time the service is provided by the Company. (T)
