Amended Transmittal No. 890

Ms. Marlene H. Dortch  
Secretary  
Federal Communications Commission  
The Portals  
445 Twelfth Street S.W.  
Washington, D.C. 20554

Attention: Wireline Competition Bureau

Dear Ms. Dortch:

Cincinnati Bell Telephone (CBT) is filing a correction to Transmittal No 890 to submit a revised tariff PDF file containing all of the pages applicable to Transmittal No. 890. The PDF tariff file originally filed in transmittal No. 890 was inadvertently missing pages that were intended to be included in the filing.

The original filing was filed today, February 12, 2015 and was made on 15 days' notice and proposed the following:

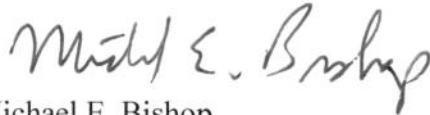

CBT proposed to withdraw its LAN Advantage Frame Relay Service. CBT filed a Section 214 Application to Discontinue LAN Advantage Frame Relay Service on September 15, 2014. The Commission issued Public Notice No. DA-1745 regarding CBT's Section 214 Application on December 3, 2014. The Commission stated in the Public Notice that, absent further Commission action, CBT could discontinue LAN Advantage Frame Relay Service on or after February 1, 2015

This correction is scheduled to become effective February 27, 2015.

This Transmittal Letter and associated attachments are being filed electronically today via the Federal Communications Commission's Electronic Tariff Filing System (ETFS).

Questions concerning this filing should be directed to Mike Bishop at the above address, by phone at (513) 397-1231, or by email at [mike.bishop@cinbell.com](mailto:mike.bishop@cinbell.com).

Respectfully submitted,
