**Tariff FCC No. 35**

**Transmittal No. 891**

**DESCRIPTION & JUSTIFICATION**

With this filing CBT proposes to withdraw its Metallic Service, Telegraph Service, and Digital Data Service from the Bethel, Ohio and Fairfield, Ohio service areas.

Metallic Service, Telegraph Service, and Digital Data Service are found in Section 7 – Special Access.

CBT filed a Section 214 Application to Discontinue Metallic Service and Telegraph Service in the Bethel Ohio and Fairfield Ohio service areas on August 6, 2014 and the Application was deemed complete by the Commission as of October 10, 2014. The Commission issued Public Notice No. DA-1742 regarding CBT's Section 214 Application on December 3, 2014. Comments were due on the Public Notice on January 2, 2015. No comments were received. The Commission stated in the Public Notice that, absent further Commission action, CBT could discontinue Metallic Service and Telegraph Service in the Bethel, Ohio and Fairfield, Ohio service areas on or after February 1, 2015.

CBT filed a Section 214 Application to Discontinue Digital Data Service in the Bethel Ohio and Fairfield Ohio service areas on August 6, 2014. The Commission issued Public Notice No. DA-1743 regarding CBT's Section 214 Application on December 3, 2014. Comments were due on the Public Notice on January 2, 2015. No comments were received. The Commission stated in the Public Notice that, absent further Commission

action, CBT could discontinue Digital Data Service in the Bethel Ohio and Fairfield Ohio service areas on or after February 1, 2015.
