Re: Intelsat USA License LLC; FRN: 0020588943
Transmittal No. 5 / Tariff F.C.C. No. 2

To the Commission:

The accompanying tariff material issued by Intelsat USA License LLC and bearing F.C.C. No. 2, is sent to you in compliance with the requirements of the Communications Act of 1934, as amended.

This filing, to become effective March 30, 2015, on 14 days' notice, consists of tariff pages as indicated on the following Check Sheet:

3rd Revised Page 1

This filing complies with the Commission's *Report and Order*, FCC 99-17, released February 9, 1999. *See Comsat Corporation, Policies and Rules for Alternative Incentive Based Regulation of Comsat Corporation*, IB Docket 98-60, *Report and Order*, 14 FCC Rcd 3065 (1999). Specifically, the filing includes reduced rates for TDMA, Base IDR and Tier 1 Growth IDR Circuits.

This filing also revises the tariff to delete the rates, terms and conditions for occasional use services, as the company is not regulated as dominant for occasional use services and has no customers for such services.

This filing, as it relates to reduced rates for TDMA, Base IDR and Tier 1 Growth IDR Circuits, is submitted in accordance with Section 61.28 of the Commission's rules, 47 C.F.R. § 61.28 (2013), governing international dominant carrier services. In addition, the transmittal letter (with an electronic signature) and the FCC Form 159 (displaying the Electronic Audit Code associated with the filing fee paid today in the amount of \$910.00 for fee type code "CQK") are being submitted electronically through the Electronic Tariff Filing System as documents associated with the tariff publication.

Please contact the undersigned with any questions.

Respectfully submitted,

Carl R. Frank
Counsel for Intelsat USA License LLC
