1064. By submitting these tariff revisions, GLC does not concede or otherwise admit in any way, either expressly or implicitly, that the Order or any finding thereunder – including without limitation the Commission's interpretation and application of Commission Rule 61.26 – is lawful or otherwise waive any right to challenge the Order. Rather, GLC reserves the right to make any appropriate revisions to these tariff sheets to the extent the Order is vacated, enjoined, set aside, suspended (in whole or in part), overturned or otherwise invalidated on appeal.

This filing is made on 15 days' notice pursuant to Section 204(a)(3) of the Act. GLC is a non-dominant carrier and, therefore, supporting documentation under Part 61.38 of the Commission's Rules is not required.
