**RE: CC Docket No. 02-33 – Notice of Permissive Detariffing of Wireline
Broadband Internet Access Service by Consolidated Communications**

Dear Valued Customer:

This letter is to advise you that effective June 12, 2015, Consolidated Communications plants to detariff provisioning of wireline broadband Internet access service ("WBIAS") on a tariffed basis. Services will be made available to you on a common carrier, non-tariffed basis. The existing relevant rates, terms and conditions will not change until the end of your term or upon replacement with a Broadband commercial Agreement. Consolidated Communications' rates, terms and conditions for its non-tariffed wireline broadband access service will be available at its office located at 350 S. Loop 336 West, Conroe, Texas and on our website at www.consolidated.com

The actions described above are taken in accordance with the FCC's Report and Order (FCC15-150) (Rel. Sept. 23, 2015) in Docket No. 02-33. In order, the FCC determined that facilities based wireline broadband internet service providers could offer their services on a common carrier, permissively detariffed basis.

Any questions regarding the notice may be directed to me at 936-521-7736 or by email @ scott.kitchen@consolidated.com.

Sincerely,
