SECTION 1 - DEFINITION OF TERMS AND ABBREVIATIONS

Access Line - A facility arrangement which connects the Customer's or Authorized User's location to the Company's network switching center.

Additional Period - The rate element used to bill chargeable time when a call continues beyond the Initial Period. The Additional Period starts when the Initial Period ends. Additional Period rates apply to any fraction of the time period for chargeable time beyond the Initial Period. Additional Periods vary by rate schedule and are specified in each individual rate table contained in later sections of this tariff.

ANI - A calling telephone number identification which is forwarded to a interexchange carrier by a LEC as a call is placed.

Authorization Code - A numerical code, one or more of which are available to Customers to enable them to access the Company's network, and which are used by the Company both to prevent unauthorized access to its facilities and to identify Customers for billing purposes.

Authorized User - A natural person or legal entity which is authorized by the Customer to use the Company's Service under the terms and regulations of this tariff. In the case of collect-only calling services provided to Inmates of Confinement Institutions, the Inmate is the Authorized User.

BellSouth - BellSouth Corporation and its affiliates.

Business Customer - For the purposes of this tariff, a Business Customer is a Customer of the Company whose primary use of the Company's Service is for business purposes. A Business Customer is also a Customer who accesses the Company's Service using a presubscribed Access Line that has been assigned a business class of service by the local service provider.

Carrier - BellSouth Long Distance, Inc. d/b/a AT&T Long Distance Service.

SECTION 1 - DEFINITION OF TERMS AND ABBREVIATIONS, (CONT'D.)

Equal Access - A form of dialed access provided by local exchange companies whereby telephone calls dialed by the Customer are automatically routed to the Company's network. Customers may also route calls to the Company's network by dialing an access code provided by the Company.

Initial Period - The initial period is the length of a call for minimum billing purposes. The initial periods vary by rate schedule and are specified in each individual rate table contained in other sections of this tariff.

LATA - A geographic area existing on February 8, 1996, as previously established by the U.S. District Court for the District of Columbia in Civil Action No. 82-0192, or established by a Bell operating company after February 8, 1996, and approved by the FCC.

LEC - Local Exchange Carrier.

(D)
|
(D)

IXC - Interexchange Carrier.

Mainland United States - The forty-eight (48) states within the continental United States of America and the District of Columbia.

SECTION 2 - REGULATIONS, (CONT'D.)

2.7 Payment and Billing

2.7.1 The Customer is responsible for payment of all charges for services and equipment furnished to the Customer for transmission of calls via the Company. In particular and without limitation to the foregoing, the Customer is responsible for any and all cost(s) incurred as the result of:

- (A) any delegation of authority resulting in the use of the Customer's or its Authorized User's communications equipment and/or network services which result in the placement of calls via the Company;
- (B) any and all use of the services provided by the Company, including calls which the Customer did not individually authorize;
- (C) any calls placed by or through the Customer's or its Authorized User's equipment via any remote access feature(s);
- (D) any and all calls placed to an "800" or "888" or other toll-free service number provided to the Customer by the Company.

(D)
—
(D)

2.7.2 Non-recurring charges for installations, service connections, moves, and rearrangements, where applicable, are payable upon demand to the Company or its authorized agent. Billing thereafter will include recurring charges and/or actual usage as defined in this tariff.

2.7.3 Service is provided and billed by the Company on a monthly basis. Usage sensitive charges are billed in arrears and fixed monthly recurring charges may be billed one month in advance or in arrears. The Customer shall pay monthly in advance or on demand all monthly recurring charges for Service and shall pay on demand all charges for usage at any agency duly authorized to receive such payments.

SECTION 2 - REGULATIONS, (CONT'D.)

2.17 Adjustment to Rates and Charges

The Company may adjust its rates and charges or impose additional rates and charges on its Customers in order to recover amounts it is required by governmental or other authorities to collect from or pay to others in support of statutory or regulatory programs. Examples of such programs include, but are not limited to, the Universal Service Fund, the Primary Interexchange Carrier Charge, and compensation to payphone service providers for the use of their payphones to access the Company services. Such charges, if applicable, are described in this section of the tariff.

2.17.1 Pay Telephone Surcharge

An undiscountable surcharge of \$0.65 shall apply to each call utilizing the Company's services which originate from an instrument which the Company identifies as a domestic Pay Telephone. Unless otherwise specified in this tariff, services for which a Pay Telephone Surcharge applies include, but are not limited to:

- (A) Calls placed to a toll-free number provided by the Company with its inbound long distance services. Surcharges will be billed to the inbound long distance Customer rather than the party originating the call.

SECTION 3 - GENERAL DESCRIPTION OF SERVICE, (CONT'D.)

3.5 Operator Services

Operator Services are available on a presubscribed and casual calling basis to Residential and Business Customers. Operator Services allow the Customer to place a call and arrange for billing to the presubscribed access line or to an alternate billing arrangement including a commercial credit card, collect to the called party or to a third party. Calls are rounded up to the next whole minute for billing purposes and are billed to the Customer. (T)

Services provided to transient end users from Pay Telephones, Hotels, Motels or other Aggregator location are provided for under the Company's FCC OSP Informational Tariff on file with the FCC.

3.5.1 The following billing arrangements are available to Customers through the Company's Operator Services:

(A) Operator Station (Operator Assisted 0+-)

This is a Service whereby the Customer places a non-person-to-person call by dialing 0 + area code + station number and chooses to wait for the assistance of an operator (live or automated). When placing an operator station call, the caller is connected to a non-specified individual at the terminating end. Such calls may be billed to a credit card, the called number (collect) or a valid third party telephone number. (T)

(C) Person-to-Person

This is a Service whereby the Customer originating the call specifies to an operator a particular person to be reached, or a particular person, station, room number, department, or office to be reached through a PBX attendant. Person-to-person calls may be billed to a credit card, the called number (collect) or a valid third party telephone number. (T)

(D)

SECTION 3 - GENERAL DESCRIPTION OF SERVICE, (CONT'D.)

3.5 Operator Services, (Cont'd.)

3.5.1, (cont'd.)

(D) Operator Dialed (0--)

This is a Service whereby the Customer dials 00- from an Access Line presubscribed to the Company, or is transferred to a Company operator from the local exchange carrier after dialing 0-, and then asks the operator to dial the destination number. Such calls may be billed to a credit card, the called number (collect) or a valid third party telephone number. (T)

3.5.2 Other Operator Services

Verification Service and Emergency Interrupt Service are furnished where and to the extent that facilities permit. The Customer shall indemnify and save the Company harmless against all claims that may arise from either party to the interrupted call or any person.

(A) Verification Service

The Company furnishes Verification Service for the purpose of aiding Customers with legitimate call completion problems. Upon request the operator will verify and provide the line status condition of a local line. A Customer originated request for verification of a number other than an emergency agency number is a chargeable verification request if an operator determines that the line is in user. No charge applies if the line is out of order.

(B) Emergency Interrupt Service

The Company furnishes Emergency Interrupt Service when a Customer who has originated a verification request to a line which has been found in a busy talking state informs the operator that an urgent or emergency situation exists and requests that the operator have the busy line cleared. A Customer originated request for Emergency Interrupt to a local number other than an emergency agency numbers is a chargeable Emergency Interrupt request. This charge will be in addition to the Verification Service charge identified above.

SECTION 4 - DOMESTIC RATES AND CHARGES, (CONT'D.)

4.3 Business Message Telecommunications Service

Business Message Telecommunications Service (MTS) is an outbound only direct dialed long distance service offered to Business Customers from switched access lines. Service is offered on a flat rate basis, twenty-four hours per day, seven days per week. Customers must dial 1 plus the area code, if applicable, and the terminating number to complete a call utilizing this service. Holiday discounts do not apply.

Business MTS is available to Business Customers who subscribe to an access line from one of the following Affiliated ILECs: AT&T Alabama, AT&T Florida, AT&T Georgia, AT&T Kentucky, AT&T Louisiana, AT&T Mississippi, AT&T North Carolina, AT&T South Carolina or AT&T Tennessee and subscribe to the Company for interLATA (interstate and intrastate) MTS service and/or intraLATA (local) toll MTS service.

All calls are billed in one (1) minute increments after an initial period, for billing purpose, of one (1) minute. If monthly outbound usage charges or outbound and inbound usage charges combined equal or exceed the Monthly Minimum Usage Charge (MUC) in a billing period, the MUC will not apply. If the monthly outbound usage charges or outbound and inbound usage charges combined in a billing period are less than the MUC, the charge that will apply will be the difference between that month's usage charges and the MUC.

4.3.1 Per-Minute Rate: \$0.9900

4.3.2 The Monthly Minimum Usage Charge (MUC) is \$27.50.

SECTION 5 - SUPPLEMENTAL SERVICES

5.1 Directory Assistance Services

5.1.1 Directory Assistance

Directory Assistance is available to Customers of the Company for locations within the United States where such information is available to the Company. A Directory Assistance charge applies to each call to the Directory Assistance Bureau. Up to two (2) requests may be made on each call to Directory Assistance. In order to obtain two (2) requests, the Customer must make the request upon reaching a live operator. The Directory Assistance charge applies to each call regardless of whether the Directory Assistance Bureau is able to furnish the requested telephone number. When more than one Directory Assistance Bureau handles requests for listings within the same area code, two listing will be provided only when the listing information is accessible to the Directory Assistance Operator that handles the request.

Per Interstate Call to Directory Assistance: \$2.49

5.1.2 Directory Assistance Call Completion

The Company Directory Assistance operator will complete the call to the number requested by the Customer without requiring the Customer to redial the number. A Directory Assistance Call Completion charge applies for this service. This charge is in addition to the charge for determining the telephone number requested by the Customer and in addition to any usage and per call charges associated with placing the call.

Directory Assistance Call Completion is available for use with Station-to-Station calls billed to a Commercial Credit Card or Third Party. Directory Assistance Call Completion may not be used in conjunction with Collect or Person-to-Person calls. (T)

Per Directory Assistance Call Completion: \$0.50
