Dear Ms. Dortch:

The accompanying tariff material, issued on behalf of Great Lakes Comnet, Inc. ("GLC") bearing Tariff F.C.C. No. 20, Access Service, is being filed via the Federal Communications Commission's Electronic Tariff Filing Service ("ETFS") in compliance with the Communications Act of 1934, as amended (the "Act").

The filing consists of the following tariff pages, which have an issue date of June 12, 2015 and an effective date of June 27, 2015:

2nd Revised Page 17GLC-10.3.6 (*)
1st Revised Page 17GLC-10.4

The Tariff pages referenced above with an asterisk (*) are being filed to implement revisions to GLC's switched access rates to comply with the provisions of Commission Rule 61.26, 47 C.F.R. § 61.26, as that rule was interpreted by the Commission in *AT&T Services, Inc. and AT&T Corp. v. Great Lakes Comnet, Inc. and Westphalia Telephone Company*, EB Docket No. 14-222, File No. EB 14-MD-013, Memorandum Opinion and Order, FCC 15-31 (rel. Mar. 18, 2015) (the "Order") and applied to the specific rates at issue in that proceeding. The Order is currently subject to a Petition for Review filed with the United States Court of Appeals for the District of Columbia Circuit, pending in Case No. 15-1064.

By submitting the Tariff pages that are listed above with an asterisk (*), GLC does not concede or otherwise admit in any way, either expressly or implicitly, that the Order or any finding thereunder – including without limitation the Commission's interpretation and application of Commission Rule 61.26 – is lawful or otherwise waive any right to challenge the Order. Rather, GLC reserves the right to make any appropriate revisions to these tariff sheets to the extent the Order is vacated, enjoined, set aside, suspended (in whole or in part), overturned or otherwise invalidated on appeal.

In addition, the rates referenced on the Tariff pages listed above with an asterisk (*) are subject to true-up to the NECA Tariff F.C.C. No. 5, Section 17.2.2, Premium Access-Tandem Switched Transport, Tandem Switched Facility, Tandem Switched Termination, and/or Tandem Switching Rate Band 2 rates, as applicable, if the FCC's Order is vacated, enjoined, set aside, suspended (in whole or in part), overturned or otherwise invalidated.

With respect to the Tariff pages listed above that have no asterisk (*), these pages are being filed to incorporate various miscellaneous revisions, as noted on these Tariff pages. These particular revisions were not addressed by the Order to be in violation of Commission Rule 61.26, and the rates and/or terms revised on these Tariff pages (in conjunction with the Tariff pages that are marked with an asterisk (*)) should not be interpreted to suggest they were.

This filing is made on 15 days' notice pursuant to Section 204(a)(3) of the Act. GLC is a non-dominant carrier and, therefore, supporting documentation under Part 61.38 of the Commission's Rules is not required.

In accordance with Part 61.14(b) of the Commission's Rules, the tariff filing fee of \$910.00 is being submitted electronically via credit card as part of the ETFS filing process.
