RE: Special Permission Application No. 36

Application is hereby made by the Illinois Consolidated Telephone Company for Special Permission to waive requirements of Sections 61.58 and 61.59 of the Commission's rules in order to file revisions to Illinois Consolidated Telephone Company Tariff F.C.C. No. 2 on not less than one day's notice.

On June 16, 2015, ICTC issued Transmittal No. 172 in compliance with the F.C.C.'s Orders Order DA 15-368, In the Matter of July 1, 2015 Annual Access Charge Tariff Filings.

With this filing was the rate decrease to the Common Trunk Port Terminating rate to \$0.000038. This rate was filed in error and should have been \$0.000023 as can be seen in ICTC's supporting rate detail also filed under Transmittal No. 172 on 6-16-15.

Based on recent discussions with the Wireline Competition Bureau staff, ICTC hereby requests waiver of Sections 61.58 and 61.59 in order to correct the above mentioned rate from the tariff on Pages 162 which was submitted in Transmittal No. 172 scheduled to become effective July 1, 2015.

In this regard, a waiver of Section 61.58 is requested to allow ICTC to file these changes on not less than one day's notice to become effective July 1, 2015, the scheduled effective date of the revisions originally included in Transmittal No. 172. Waiver of 61.59 is requested to allow ICTC to revise tariff pages which have not been in effect for 30 days. Illustrative tariff pages are attached in support of this application.

In accordance with Section 61.41, this application for special permission and associated attachments are being electronically filed today via the Federal Communications Commission's Electronic Tariff Filing System (ETFS) and payment in the amount of \$910.00 along with Form 159 are being transmitted electronically via ETFS simultaneous with this filing.

All petitions, correspondence and inquiries in connection with this filing should be addressed to me at 350 S Loop 336 W, Conroe, TX 77304, telephone 936-788-7414.

Sincerely,

/s/ Scott Kitchen
