Revision to Tariff FCC No. 2.

Dear Ms. Dortch:

Please find attached a revision to Tariff FCC No. 2, interstate access services, of Electric Lightwave, LLC. This filing is made pursuant to 47 C.F.R. § 61.58(2)(i), and is filed on seven (7) days' notice, with an issue date of July 9, 2015 and an effective date of July 16, 2015. It consists of the following revised pages:

With this filing, Electric Lightwave, LLC complies with the requirements set forth by the Federal Communications Commission's Order FCC No. 11-161 (released on November 18, 2011) and Rule 47 C.F.R. § 61.26 "Tariffing of competitive interstate switched exchange access services." To comply with this rule, Electric Lightwave is benchmarking its end office terminating switched access rates to the levels of the corresponding dominant incumbent local exchange carrier's rates.

Electric Lightwave, LLC is a non-dominant carrier and, therefore, cost support documentation under 47 C.F.R. § 61.38 of the Commission's Rules is not required.

Payment in the amount of \$910.00 has been submitted through the Electronic Tariff Filing System. If you have any questions about these revisions, please contact me.

Respectfully submitted,
