## SECTION 5 - MISCELLANEOUS SERVICES AND CHARGES, (CONT'D)

## 5.2 End User Common Line Charge

The Company recovers some of the costs of the telephone line or trunk connected to the customer's premises through a monthly, flat-rated charge assessed to end users for each local exchange service line or trunk. The charge is based on a monthly snapshot of end user accounts. No fractional debits or credits will be created.

| State                        | Monthly Recurring Charge, per line or trunk |          |
|------------------------------|---------------------------------------------|----------|
|                              | Residential                                 | Business |
| <u>AT&amp;T Territory</u>    |                                             |          |
| Alabama                      | \$6.56                                      | \$6.94   |
