Attention: Wireline Competition Bureau

The accompanying interstate access service tariff pages issued by Kiesling Associates LLP (Kiesling) and bearing Tariff F.C.C. No. 3 are sent to you for filing in compliance with the requirements of the Communications Act of 1934, as amended.

This interstate access service tariff filing with an issue date of August 3, 2015 consists of revised tariff pages to become effective August 18, 2015. This tariff removes rates, terms and conditions of service for DSL Access Services (Section 17.4.9) as this company has elected to offer wireline broadband Internet access transmission service on a permissively detariffed, common carrier basis effective August 18, 2015. This change is being made consistent with the requirements established in the Commission's *Wireline Broadband Internet Order*. Pursuant to the *Wireline Broadband Internet Order*, the company will make available the rates, terms and conditions of service for the permissively detariffed service offerings on its website. Attached please find a copy of the company's notice to the FCC of the election to permissively detariff its wireline broadband Internet access transmission service.

In accordance with the filing requirements contained in Part 61.14(a) of the Commission's rules, the aforementioned revised tariff pages are being filed electronically.

Also, in accordance with Part 61.14(a) of the Commission's rules, an electronic letter of transmittal (with signature), FCC Form 159, and payment of \$910.00 have been made via the FCC Fee Filer System as of this date.

Kiesling is filing this tariff on behalf of issuing carriers with the following FRNs:
