- Customers must currently subscribe to the Term Discount Plan (TDP) in order to be eligible to enroll in the Revenue Discount Simplification Plan. The Revenue Discount Simplification Plan will supersede these discount plans without applying Termination Liability, ordering charges and/or service order charges.
- The Plan discounts per this Contract Tariff will only apply to DS1s and DS3s and must not exceed the monthly billed charges. As of the implementation date all DS1 and DS3 Services will be re-rated to month-to-month rates.
- The Company will calculate the customer's Contributory Charges that count towards the Revenue Discount Simplification Plan Credit within 30 calendar days following the end of a Measurement Period. The customer's first Measurement Period will begin on the first full calendar month after the implementation date, and each subsequent Measurement Period will be a calendar month. - For each Measurement Period, the customer will receive a credit pursuant to the following Discount Tier Table. The applicable percentage will be applied to the eligible Month-to-Month Rates in CLOC Tariff No. 9.

 - Contributory Charges for services on invoices with bill dates starting with the 25th of the prior month up through the 24th of the current month.
