Attention: Wireline Competition Bureau

The accompanying interstate access tariff pages, issued by Kiesling Associates LLP, bearing Tariff F.C.C. No. 2 (Access Service) are sent to you for filing in compliance with the Commissions Act of 1934, as amended. This filing is for a Competitive Interstate Access Tariff for Competitive Local Exchange services.

This competitive interstate access service tariff filing with an issue date of September 8, 2015 removes one participating carrier (East Buchanan Telephone Cooperative). This tariff will become effective September 23, 2015. All rates and language pertaining to this carrier (East Buchanan Telephone Cooperative) have been removed with this filing. Also, this filing adds three participating carriers (Interstate Cablevision Company, Goldfield Access Network, L.C., and Alliance Connect). This filing also is changing rates for one participating carrier to mirror Qwest Corporation's rates in all exchanges (previously it mirrored NECA rates and Windstream Telephone System rates).

Pursuant to Section 61.26, the issuing carriers are filing access rates that are no higher than the incumbent telephone company.

In accordance with the filing requirements contained in Part 61.14(b) of the Commission's rules, the aforementioned revised tariff pages are being filed electronically.

Also, in accordance with Part 61.14(b) of the Commission's rules, this transmittal letter, FCC Form 159, and a credit card payment for \$910.00 have been sent via the Commission's Electronic Tariff Filing System.
