Re: Tariff Advice Letter No. 2

Dear Ms. Dortch:

TNCI Operating Company LLC ("TNCI OpCo") submits to the Commission amended Sheet Nos. 2, 42 and 43 to the Company's switched exchange access tariff, Tariff F.C.C. Tariff No. 1 for incorporation into the Company's tariffs.

With these amendments, TNCI OpCo bifurcates interstate access rates in California by establishing separate rates for the Verizon California service territory. Pursuant to 47 CFR § 61.26(B), TNCI OpCo adopts Verizon's corresponding interstate originating and terminating per minute switched exchange access rates set forth in The Verizon Telephone Companies Tariff F.C.C No.16, Section 6, by reference. TNCI OpCo further updates a tariff citation.

An FCC Remittance Advice Form 159, and credit card payment of the Commission's tariff filing fee have been submitted electronically.

Thank you for your attention to this matter. Questions concerning this filing may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
