Application No. 54

Ms. Marlene H. Dortch
Secretary
Federal Communications Commission
Washington, D.C. 20554

Attention: Wireline Competition Bureau

This application is hereby made by Nevada Bell Telephone Company (NBTC) for Special Permission to waive Section 61.59(c) of the Commission's Rules in order to withdraw Transmittal No. 283.

On October 30, 2015, NBTC filed Transmittal No. 283, its Contract Offer No. 34, which became effective on October 31, 2015. Along with NBTC Contract Offer No. 283, filed under Transmittal No. 283, four other identical tariffed contracts were filed in the other AT&T currently effective interstate access tariffs.

With this Application, NBTC requests special permission to waive Section 61.59(c) of the Commission's Rules in order to withdraw, on not less than one day's notice, the tariff material filed under Transmittal No. 283. NBTC wishes to withdraw Transmittal No. 283 in order to correct typographical errors and review issues identified in the proposed modifications.

In accordance with Section 61.14, this application letter and associated attachments are being filed electronically today via the Federal Communications Commission's Electronic Tariff Filing System (ETFS) in compliance with the electronic filing procedures.

Payment in the amount of \$910.00 has been electronically transmitted to the U.S. Bank in St. Louis, Missouri, in accordance with the fee program procedures. The Form 159 is being transmitted electronically via ETFS as a proprietary document. These actions have been committed on the date established as the issued (filed) date as reflected above.

All correspondence and inquiries concerning this Application should be addressed to Debra L. Clemens, Director-Federal Regulatory, (202) 457-3066, 1120 20th Street, N.W., Suite 1000, Washington, D.C. 20036.
