On March 7, 2016, Verizon filed Application No. 218 requesting a waiver of Section 61.59 to revise material that would not have been in effect for thirty days. Verizon was planning to delete the material from its tariff.

Verizon was subsequently advised by the FCC Staff that a waiver of Section 61.59 is not required in this instance; therefore, according to FCC Staff, no further action is required on Application No. 218. This letter is being filed electronically today via the Federal Communications Commission's Electronic Tariff Filing System (ETFS).

In accordance with the requirements of Section 61.21(a)(3) of the Commission's rules, the FCC Registration Number (FRN) for Verizon is 0003-7085-00. Verizon is filing this application on behalf of issuing carriers with the following FRNs:
