SECTION 6 - MISCELLANEOUS CHARGES, (CONT'D)**6.3 Federal Universal Service Fee**

In connection with the FCC's Universal Service Orders, Cbeyond will pay a percentage of its retail revenues to support the Universal Service Fund (USF). Cbeyond will pass-through the USF assessment to its customers by assessing a charge applicable against all retail interstate and international charges, including usage and non-usage charges. This surcharge is in addition to standard tariffed usage charges and any applicable service charges and surcharges associated with the Company's service. The Company's Universal Service Fee factor will match the relevant quarterly Universal Service Contribution Factor approved by the FCC. Universal Service Contribution Factors are available at www.fcc.gov/ccb/universal_service/quarter.html.

6.2 Access Recovery Fee

The purpose of the Access Recovery Fee is to partially offset the Company's costs to provide services, support its infrastructure, and recover costs associated with the federally mandated reduction in carrier access rates resulting from the FCC's 2011 Universal Service Fund/Intercarrier Compensation Reform Order.
