**Revision to Tariff FCC No. 4.**

Dear Ms. Dortch:

Please find attached revisions to Tariff FCC No. 4, interstate access services, of Integra Telecom Holdings, Inc. ("Integra"). This filing is made pursuant to 47 C.F.R. § 61.58(2)(i), and is filed on seven (7) days' notice, with an issue date of July 18, 2016 and an effective date of July 25, 2016. It consists of the following revised pages:

With this filing, Integra complies with the requirements set forth by the Federal Communications Commission's Order FCC No. 11-161 (released on November 18, 2011) and Rule 47 C.F.R. § 61.26 "Tariffing of competitive interstate switched exchange access services." To comply with this rule, Integra is benchmarking its end office terminating switched access rates to the levels of the corresponding dominant incumbent local exchange carrier's rates.

Integra is a non-dominant carrier and, therefore, cost support documentation under Part 61.38 of the Commission's Rules is not required.
