Amended Transmittal No. 2

Secretary  
Federal Communications Commission  
Washington, D.C. 20554

Attention: Competitive Pricing Division, Wireline Competition Bureau

This Amended Transmittal No. 2 is being filed for the purpose of submitting electronically the accompanying tariff material, issued by Utility Telecom Group, LLC (“UTG”) (FRN 0024994311), and bearing FCC Tariff No. 1, which was inadvertently omitted from UTG’s original electronic submission on July 11, 2016. The accompanying tariff material is being filed on July 18, 2016 and is scheduled to become effective July 12, 2016. This filing is being sent to you in compliance with the requirements of the Communications Act of 1934, as amended. Additional issuing carriers include UTG’s affiliates: Utility Telephone, Inc. (FRN: 0006369540) and Call America, Inc. (FRN 0006833461).

By this filing, UTG, a competitive local exchange carrier (“CLEC”), revises its tariff to reduce its terminating switched access rates to reflect the phasing down of applicable ILEC tariffs pursuant to section 51.907 of the Commission’s rules.

In accordance with the Commission’s fee filing requirements, a filing fee in the amount of \$910.00 has been paid by credit card and an electronic Form 159 was submitted at the time of the original transmittal.

Questions regarding this filing may be directed to me at:

John Clark
