**Re: Veracity Networks, LLC Revisions to Interstate Access Service Tariff No. 1,  
Consistent with FCC 11-161**

Dear Secretary Dortch:

Please accept for filing the attached revised pages of the interstate switched access tariff of Veracity Networks, LLC (the "Company") to reflect rate reductions mandated by the Commission's ICC/USF Transformation Order, FCC 11-161.

The attached revised tariff pages reflect the Company's reduction of terminating switched end office rates to effectuate the Company's intent to mirror the incumbent local exchange carrier's rates in those areas where the Company operates. Accordingly, and as reflected on the attached revised tariff pages, effective August 30, 2016, the Company's rates for certain end office terminating rate elements will be reduced to mirror reductions implemented by certain incumbent local exchange carriers.

Should you have any questions regarding this filing, please contact the undersigned at 202-973-4287.

Sincerely,

A handwritten signature in cursive script, appearing to read 'KC Halm'.
